Katherine Merry Wins The Shorthorn Section

The judging of steers entered by some 100 club members, for the King's Guineas, was a feature of the Royal Show on Monday afternoon of last week. The main ring of the Coliseum was crowded with interested spectators. Chas. Yule, of Calgary, had the difficult task of awarding the ribbons and what a task it was. In the Shorthorn section with 46 entries, Halton contestants made a great showing — Katherine Merry, of Oakville, topped the strong class thus duplicating her sister Judy's performance of a year ago. In third place was the entry of Sandy Buchanan, of Moffat, Moffat, in eighth position; and John C. Willmott, of Milton; and following him was Douglas Campbell, Moffat, in eighth position; and 9th, Herb. LaPier, of Milton.

The Aberdeen Angus section brought out 35 dangles. Here, Bill Arkinstall, of Newmarket, was first and A. D. McNeill, of Lambton County was second. In the Hereford section there were 20 white-faces and here Robert Hern, of Huron, was first, and Robert Kinsman of Perth County was second. Halton's Evelyn McCann was well up in the first prize group, placing seventh.

The awarding of the King's Guineas brought together the two tops from each of the three sections. The result was a real field day for the Hereford section of the gallery, Robert Hern being the winner of the King's Guineas, and Robert Kinsman getting the nod for the reserve position over Katherine Merry's first prize Shorthorn.

When the steers were sold at public auction the following Wednesday the King's Guineas winner brought \$2.05 a pound, and the reserve 97c per lb. The Halton entries sold at a price range of from 39c to 51c per lb. the majority going at around the 40½ cent mark.

In the open steer classes the Shorthorn lovers had their chance to cheer, the grand champion award going to a Shorthorn steer bred and exhibited by the University of Alberta. This steer later sold at auction at \$2.30 per pound.

Seagram TELLS THE WORLD ABOUT Canada

This advertisement was designed by The House of Seagram to tell the people of other lands about Canada and things exclusively Canadian.

Many people in Latin America, Asia, Europe and other parts of the world are not fully aware of the richness of Canada's natural resources, wild life, scenic beauty and cultural traditions. The more the

peoples of other lands know about our country, the greater will be their interest in Canada and Canadian products.

The House of Seagram feels that the horizon of industry does not terminate at the boundary of its plants; it has a broader horizon, a farther view—a view dedicated to the development of Canada's stature in every land of the globe.

Shows Mexico Movies At Lions Club Meet

A picture tour of a trip to Mexico was the entertainment at a dinner meeting of Georgetown Lions Club at the McGibbon House last Tuesday.

Craig Reid, local cattle dealer, showed movies taken on two trips to Mexico where he delivered shipments of Holsteins. A year ago Mr. Reid took an exploratory trip to the land to the south to determine whether there was a market for Canadian cattle there. He found that there was and in September he accompanied his first boxer of heifers and one bull on the week's trip.

Mr. Reid expects to leave again for Mexico in a week's time, this time taking 44 purebred heifers destined for Mexican ranches.

The meeting was conducted by Lion Chief Ray Whitmee and the speaker was introduced by Jack Gunning and thanked by Fred Chapman. The meeting was designated as "Farmers' Night" and a number of district farmers were guests of the members.
