**LUCKY DRAW PLANNED
AT NEXT HALL EUCHRE**

At the Thimble Club's Friday euchre in the Hall, winners of the ladies prizes were Neretta Zillo and Mrs. Harvey Puckering, while the gentlemen's prizes were won by Gordon Stringer and Mrs. Schleicher. A lucky draw is planned as a feature of the next euchre party. Mr. and Mrs. Jim Emmerson, Dennis and new baby Jane Mary

visited in Port Colborne with her parents, Mr. and Mrs. Gray. Visitors from Guelph with Mr. and Mrs. Harvey Puckering were Mr. and Mrs. Walter Hayward, Allan and Douglas. Allan has just returned home after spending two years in the west. Mr. and Mrs. A. Zillo visited last week-end at Huttonville with Mr. and Mrs. Lew Ross.

Holland was the home of freedom of the press in the early sixteenth century.

PUBLIC SCHOOL NEWS

**CARD SALE BUYS
CLOCK AND RADIO**

Pupils of Grade Seven in Mrs. J. F. Evans' classroom are the proud owners of a new electric clock and a Marconi mantel radio. These were purchased with their profits from the recent sale of Christmas cards and wrappings. We wish them abundant pleasure with their new purchases.

The November attendance report showed as follows:

Percentage attendance for school 95.14. Among the individual rooms Miss W. Stull's grade six was highest with 97.34 per cent and Mrs. J. Evans' grade seven in second place with 97.21 per cent.

Films shown recently to the senior grades in Mr. V. A. Stein's classroom included: Three Little Bruins (a portrayal of Wild Life); the Salmon Run (a picture of the migration of sockeye); Pacific Canada (showing natural resources of British Columbia); Know Your Vitamins (a very entertaining health musicale) and The Dairying Industry in America (one of a series entitled Your Life Work).

Senior boys also derived some help from the film strip 'Hockey Calvacade.'

The two world wars increased the appetite for foreign news in Canada.

**LIFE MEMBERSHIP PIN
TO W.A. PRESIDENT**

A Diocesan Life Membership, of the W.A. of the Church of England, was presented to Mrs. Sam Walker, president of St. George's W.A., at the annual Christmas party and pot luck supper held last Tuesday evening in the church basement. The presentation, which was a surprise, was made by the 1st vice president, Mrs. John Farmer and the address was read by the secretary, Mrs. Harry Scott. Mrs. Walker received a scroll and a gold W.A. pin.

The Christmas atmosphere was created by colourful table decorations of red and green Christmas trees and flowers. There was an exchange of gifts among members. In appreciation of her work during the year the W.A. presented Mrs. W. G. O. Thompson with a card table.

**FAMILY PARTY ON
FATHER'S BIRTHDAY**

A surprise party was held at the home of Mr. and Mrs. Laurence Burt on Saturday night when the family and grandchildren gathered to celebrate Mr. Burt's birthday.

The evening was spent with games, music and singing. Several friends from town were out to extend their best wishes for continued health and happiness.
