These are scenes of the Navy's "frogmen" in action underwater preparing demolition charges to clear the way for an invasion as depicted in Twentieth Century-Fox's dramatic adventure story, "The Frogmen," scheduled to open Monday at the Roxy Theatre. Co-starring Richard Widmark, Dana Andrews and Gary Merrill, the picture deals with the exploits of the undersea demolition teams used by the Navy in World War II and in the present Korean conflict. Director Lloyd Bacon filmed "The Frogmen" on location in scenic waters off the coast of Florida and the Virgin Islands.

#### Annual Xmas Entertainment For Baptist Church Children

The annual Christmas entertainment and supper of the Baptist Sunday School was held on Friday evening, December 14th. The members of the Sunday School gathered together at six-thirty in the church basement for a most delicious hot supper prepared and served by the ladies of the church. The tables looked most attractive in a green and gold colour scheme and Christmas candles.

The concert was held in the church auditorium which was beautifully decorated with a lighted Christmas tree and decorations. A large attendance of parents and friends enjoyed the program which consisted of carol singing, recitations, playlets, a cornet solo, and a play. At the conclusion of the program Santa Claus paid a visit and distributed candy and oranges to the children. Mr. Barker closed the entertainment with the Benediction. A good time was had by all.
