MACKENZIE NEWS

This is the old fashioned Christmas weather which we all wish for -- until we get it. Take a look at your coal bin and if you are going to need coal before the New Year, let us know as soon as possible. Also you might view your driveway and see if the coal man could get in.

See you at the Fireman's Ball.

"With living costs so high one has to be careful of expenses even when taking a trip. That's why the low bus fares appeal to me -- I have a little extra to spend on entertainment or for some of my shopping while I'm away. And travelling by bus these days is really enjoyable."
