Brampton Beats Local Girls at Hockey 3-0

January 26 was again a sad day for us girls. That was the day we played Brampton.
 The first period was rather slow and uneventful but the second period came to life when Brampton scored two goals. In the third period Brampton again scored with five minutes left in the game to play making the defeat 3-0 once again. Three penalties were awarded to Spike Zillo for cross-checking.
 This week's column may sound a bit stuffy, but if you think nothing exciting happens, just you come and see.

Take for instance this game with Brampton. The No. 9 player from Brampton had been rather pushy all through the game. This, thought Spike, was going just a bit too far for comfort. So, when she got shoved again Spike just shoved back. This caused bad feeling so No. 9 decided that a nice hard fall would sort of cool this girl off. Up she skates behind Spike, and carelessly shoved her stick between her skates.
 Well, you know Spike. As quick as lightning she was facing the girl and if you've never seen a good boxing game before, this would have been a treat for you.
 When the two were separated the referees, Mel and Junlor Beaumont, decided that the best thing to do was to remove them from the game for the remaining five minutes. During this time Brampton scored their last goal.
 This Saturday, February 9th, we are hoping to have a game with Dixie. PS — Dixie beat East York, so we wonder what chance we have this time. Let's see a crowd there. Shall we?
