Avenge Brampton Defeat Trounce Them 3-0

Saturday was again an eventful day in the lives of the famous Georgetown's girls' team. They have to their credit another winning game in which they defeated Brampton 3-0 (Happy Bunsy?)

This was just a turn-about game, as Brampton defeated our team by the same score two weeks ago. The game was very cleanly played during the first two periods, having no goals scored, and no penalties awarded.

The third period was one of much excitement and much happiness. Spike Zilio made a break and rushed down the ice, shot the puck, but the Brampton goalie made a miraculous save and the puck was bounced off to the right hand corner. Meanwhile Joyce Herrington was up to the rescue, and popped the puck in to the net before the goalie could blink an eyelid. Comments from the spectators, such as "this were heard, "Boy! Look at that No. 8 go. I'm going to sign her up." "I'm go. I'm going to sign her up." Next goal was scored by Spike, when she again got another breakaway. This time she made sure she didn't miss. Prunes Thompson, again scored the final goal making the score 3-0.

During this period, Joyce Herrington and Lois Strong of Brampton both were given penalties for tripping.

A spectator after the game was really quite surprised to see what a good game of hockey we girls could really play. Credit should really go to our goalie, Joan Hancock who played a wonderful game of hockey. This was the first shut-out for her this season, and she really deserves the credit for such good playing. The defence was also playing an excellent game of hockey, and they certainly kept that puck out of our territory many times.

Well this proves that we have a pretty good team, don't you agree with us?

Be sure to be on hand next Saturday when we play Dixie.

We heard along the grapevine that they are a pretty rough and tough team, so let's have lots of support.

Shirley Forbes

STEWARTTOWN

FALLS FROM TREE HYDRO MAN INJURED

A Brampton man, employed by Brampton Rural Hydro, sustained serious injuries when he fell from a tree in which he had been working at Stewarttown this morning.

The hydro man apparently slipped when coming down a tree across from Lawson's Mill and fell about thirty feet. A leg and arm were fractured and he had a deep gash over the left eye. He was treated at the scene by Dr. J. H. Chamberlain and rushed to Peel Memorial Hospital by McClure's ambulance.

Mrs. James Emmerson, who returned from Guelph Hospital last week, was taken to Peel Memorial Hospital for treatment.
