Baptists Have Week Of Special Services

A week of special services of Christian Witness, sponsored by the Baptist Brotherhood, Toronto held each night in the Baptist Church concluded on Friday. Brotherhood teams from various Toronto churches, including Bethel, Calvary, Dufferin, First Avenue, Mount Dennis, and Ossington conducted the meetings each evening.

presenting a programme consisting of a violin trio, harmonica band, vocal selections and also a guest speaker who brought the meditation. Every afternoon at four o'clock, in the Sunday School room, colored pictures and stories were given to the children by Mr. C. M. Staines, the Brotherhood Field Worker. These services were most inspiring, enriching and vitalizing the spiritual lives of those who attended.

ELMER'S THREE STARS

Nothing But Praise From Elmer This Week

Well, they finally talked your Uncle Elmer into going to see this Juvenile team the local Canadian Legion are sponsoring. My only regret is that someone didn't talk me into it before. For these Kids really put their heart and soul into their work and play a very pleasing brand of hockey.

They must, or they wouldn't be knocking off all the other good teams in the province and worked themselves up so high. The game we were fortunate enough to see was Kincardine at Georgetown on Friday, March 7th.

A crowd of around the 700 mark were on hand and even this is not enough for the calibre of hockey we saw dished up. And all for 35c. Final score Georgetown 10—Kincardine 6.

To the coach, Scotty Patterson, we tender a beautiful bouquet of sweet peas, our favorite flower, for his fine job in coaching these boys in the style of hockey they play. Also congratulations to the Georgetown Legion for having the foresight to sponsor such a fine bunch of young athletes.

It hardly seems fair to award 3 STARS when every boy on the team gave their all. However, the best must be picked so we give the 1st star to Carman Malby, who played a wonderful game in the nets. 2nd star goes to Schenk who after his long layoff through an accident came back in his second game and scored 3 goals. 3rd star goes to Ingils who also scored 3 goals and played his usual good game. And an honourable mention to Sedore who also played a strong game and scored two goals.

ELMIRA AT RAIDERS, SATURDAY, MARCH 8th

This was the fourth game of a 4 out of 7 series with Elmira having won 2 and Georgetown 1, so it was necessary that the Raiders take this one or they would be behind the 8-ball. Pleased to see a full house in attendance, the first for a long time.

The pace started off very fast and I don't think I ever saw the

Raiders maintain the pace throughout a game as they did this one. At the end of the first period the score read Elmira 4, Georgetown 2. At the end of the second period the score was tied 4-4. That meant the last period was the payoff and what grand hockey was served up by both teams. About the 6 minute mark Junior Beaumont scored and the goal judge put on the light but sorry to say the referees didn't have their glasses with them and disallowed the goal. Then the Georgetown boys really got peeved and scored 3 more goals in the balance of the period making the final score read Georgetown Raiders 7, Dutchmen 4.

The 1st star of the game goes to Ken Nash who played one of his best games of the year, and scored 2 goals. The 2nd star goes to Max Bradbury who also got two goals and well deserved them. The 3rd star goes to Junior Beaumont who got 1 goal that counted and one not counted. He played a whale of a game especially when the Raiders were short handed. Sorry to say the Raiders were handicapped throughout the game having only 3 defencemen in shape to play.

MONDAY'S GAME

This was the crucial game of the series as both teams had won two games. The tension was at breaking point as each team faced off. And the brand of hockey served up was only for the hale and hearty. No person with weak nerves or heart could stand too much of this kind of excitement.

The first period ended with a tie 3-3. The end of the second period the Raiders were down 7 to 4. But being the comeback team of old they worked all the harder to end up with the game score at full time in a tie 8 to 8.

Then the overtime for 10 minutes which produced the most exciting hockey of the night. Georgetown got the only goal of the overtime making the final score read Georgetown Raiders 9 — Elmira Dutchmen 8. This gives Georgetown a big break in the series as they just have to win one more game. The next game is at Elmira on Friday night and if the Raiders have

one of their good nights the series should end right there.

Now for the 3 STARS. It is very hard to pick 3 outstanding players when everyone on the team is giving their all. However the 3 Stars must be picked so here is our choice. 1st goes to Harve Chappel who scored 4 goals. A worthwhile feat for anyone. The 2nd star goes to Junior Beaumont who scored two goals and made two assists. The 3rd star goes to Del Beaumont who

scored one goal, gave two assists, and played his usual good defensive game.

Casual purchase...

SEE'S REACHING for some small change—perhaps to pay for a cup of coffee, or some candy, or her favorite magazine. It's the kind of casual purchase we all make every day.

You may not think of your telephone bill in just the same way. Yet the daily cost of telephone service is a "small change" purchase too. The most anybody pays for a home telephone is 18¢ a day; most people pay considerably less.

Measure this cost against the value of your telephone's round-the-clock convenience... the way it saves you steps, time, money. Think, too, how its usefulness has grown. You can reach twice as many people as ten years ago; and more telephones are going in all the time.

Few home necessities mean as much as your telephone—or match it for all-round value.
