

Win Over Kincardine Juveniles in Finals

The return game with Kincardine was played in Georgetown last Friday night, to an excellent crowd. The Lorne Scots band had very kindly offered to play during intermission and before the game — which added a great deal to the event. There was an excellent crowd present for the second match between Georgetown's Club 120 Juveniles and the Kincardine team, which had been beaten 11-9 the previous Tuesday.

The game opened with the Kincardine lads taking the offensive, and really pouring on the heat. Their team were a fast skating group and kept Maltby and his defence busy. Georgetown seemed a little nervous, on the whole, for the opening few minutes of play. At about the half way mark the tide seemed to turn, with a more confident local crew pressing in on the Kincardine goalie, spearheaded by the Glen line. Schenk, playing his second game since his arm injury, played heads-up hockey fitting in his old spot like a glove. McClure finally got a break and placed the rubber in the net. Kincardine, who did not have a penalty in the previous game, picked up two, and had to play with two players short. Schenk in the dying minutes of the game shoved the puck in, making it 2-0.

The second frame opened with the Kincardine lads still short handed, and turned into a real shooting match at the Kincardine goalie. Blake Inglis finally shoved it in on a short pass from Sedore. McClure and Cooper turned in some nice defensive work in this frame. Blake Inglis scored a goal on a picture play unassisted making it 4-0. On an assist from Butch Schenk Inglis bulged the twine a few minutes later. Fred Dickerson picked up a penalty for slashing. Sedore and Jarvie on a beautiful passing play netted another one. Jarvie banging it in on a short pass from Dale Sedore in front of the net. On a beautiful play by Haines and Schenk, Butch missed by a shade. Dale Sedore made it 6-0 on a solo effort. Kincardine put on the pressure netting two goals, making the score 6-2. On an assist from Fred Dickerson Bud Haines notched another one. The Kincardine net mender put on a wonderful exhibition, making some beautiful saves. Bud Haines made a long rush through the entire opposing team, only to be robbed on his attempt, but in the melee around the net, managed to get the disc out to Schenk, who tallied. George Grassy picked up a penalty for effowing followed by one to a Kincardine defenceman, for slashing. Don Jarvie played a lovely defensive game during Grassy's penalty.

The third period opened with a spirited attack by the Kincardine boys. However, while still dangerous, that spark that makes the difference between a winner and a loser, seemed to have gone out of the Bruce County lads. They still pressed in, making some dangerous attacks on Maltby, who put on an excellent demonstration of net-minding. However, their plays seemed to lack the cohesion and easy teamwork of the earlier two stanzas. Bud "Moose" Vary, picked up a goal on an assist from George Webster. Kincardine notched a nice one at the halfway mark. Blake Inglis set up a beautiful play with Butch Schenk going on to notch a final goal for the locals, to make the final score 10-6.

It would not be possible to pick any stars from the locals, all the boys playing heads up hockey and

giving everything they had all the time. The work of the two erstwhile 'cripples' Schenk and Grassy was good, and coach Patterson can breathe freely again, with a full injury-less team once more. An interesting sidelight of this game was the fact that there were two NHL scouts present, one a representative of the Toronto Maple Leafs and the other for Montreal's 'Les Canadiens.' The Leafs scout was very favourably impressed with at least two of the local lads.

The Kincardine entry was certainly a beautiful, fast-skating machine, certainly the best the local team have got yet. The score was by no means indicative of the play, as the northern lads were always in their trying, and were always dangerous. Their two games with Georgetown were the first they had lost in thirty games.

AT ESQUEQUING COUNCIL ON MONDAY, MARCH 3rd

A discussion was held with representatives from Georgetown council about fire protection in the township. Esqueging is interested in joining a fire area which would entail the provision and outfitting of a fire truck which would be housed and manned in Georgetown. A similar area has been formed around Milton. The matter will be discussed further at future meetings of the two councils.

A deputation from Acton council interviewed council concerning the maintenance of a boundary road between the town and township.

At a special meeting the next day, the tender of A. S. Robertson was accepted to supply, crush and deliver approximately 15,000 yards of gravel on township roads.

Five dollar claims for foxes destroyed totalled \$270 and were paid to — William Sheppard, of Acton, \$105; Harry Hilson, Milton, \$35; \$10 each to Jim Preswood, Georgetown, Fred Wilds, Sr., Alvin Moore and John Chisholm, Acton, Charles Sheppard, Terra Cotta, John Buck, Milton, and C. S. Balley, Georgetown, \$5 each to Alvin Anderson, James Roe and Sid Morris, Georgetown, Tom Hill, Glen Williams, Tony Zillo, Jr., Harold Deforest and Charles Deforest, Terra Cotta, Alfred Bridgen, Hornby, Edward McLean, Norval, Elmer Malnprize and Mervin Nesset, Acton, and Jack Zanatta, Milton Heights.

At a special meeting on February 22nd, Wilfrid Bird was appointed representative to the Credit Valley Conservation Authority for 1952, and a motion appointing George Currie as representative to a meeting at Georgetown February 27th was rescinded.

A sheep claim of \$15 was paid to W. M. McDonald for one lamb killed and valuator fee of \$4 to A. N. Stark. Mr. Stark was also paid \$4 fee for a trip to W. A. Ostrander's on February 5th.

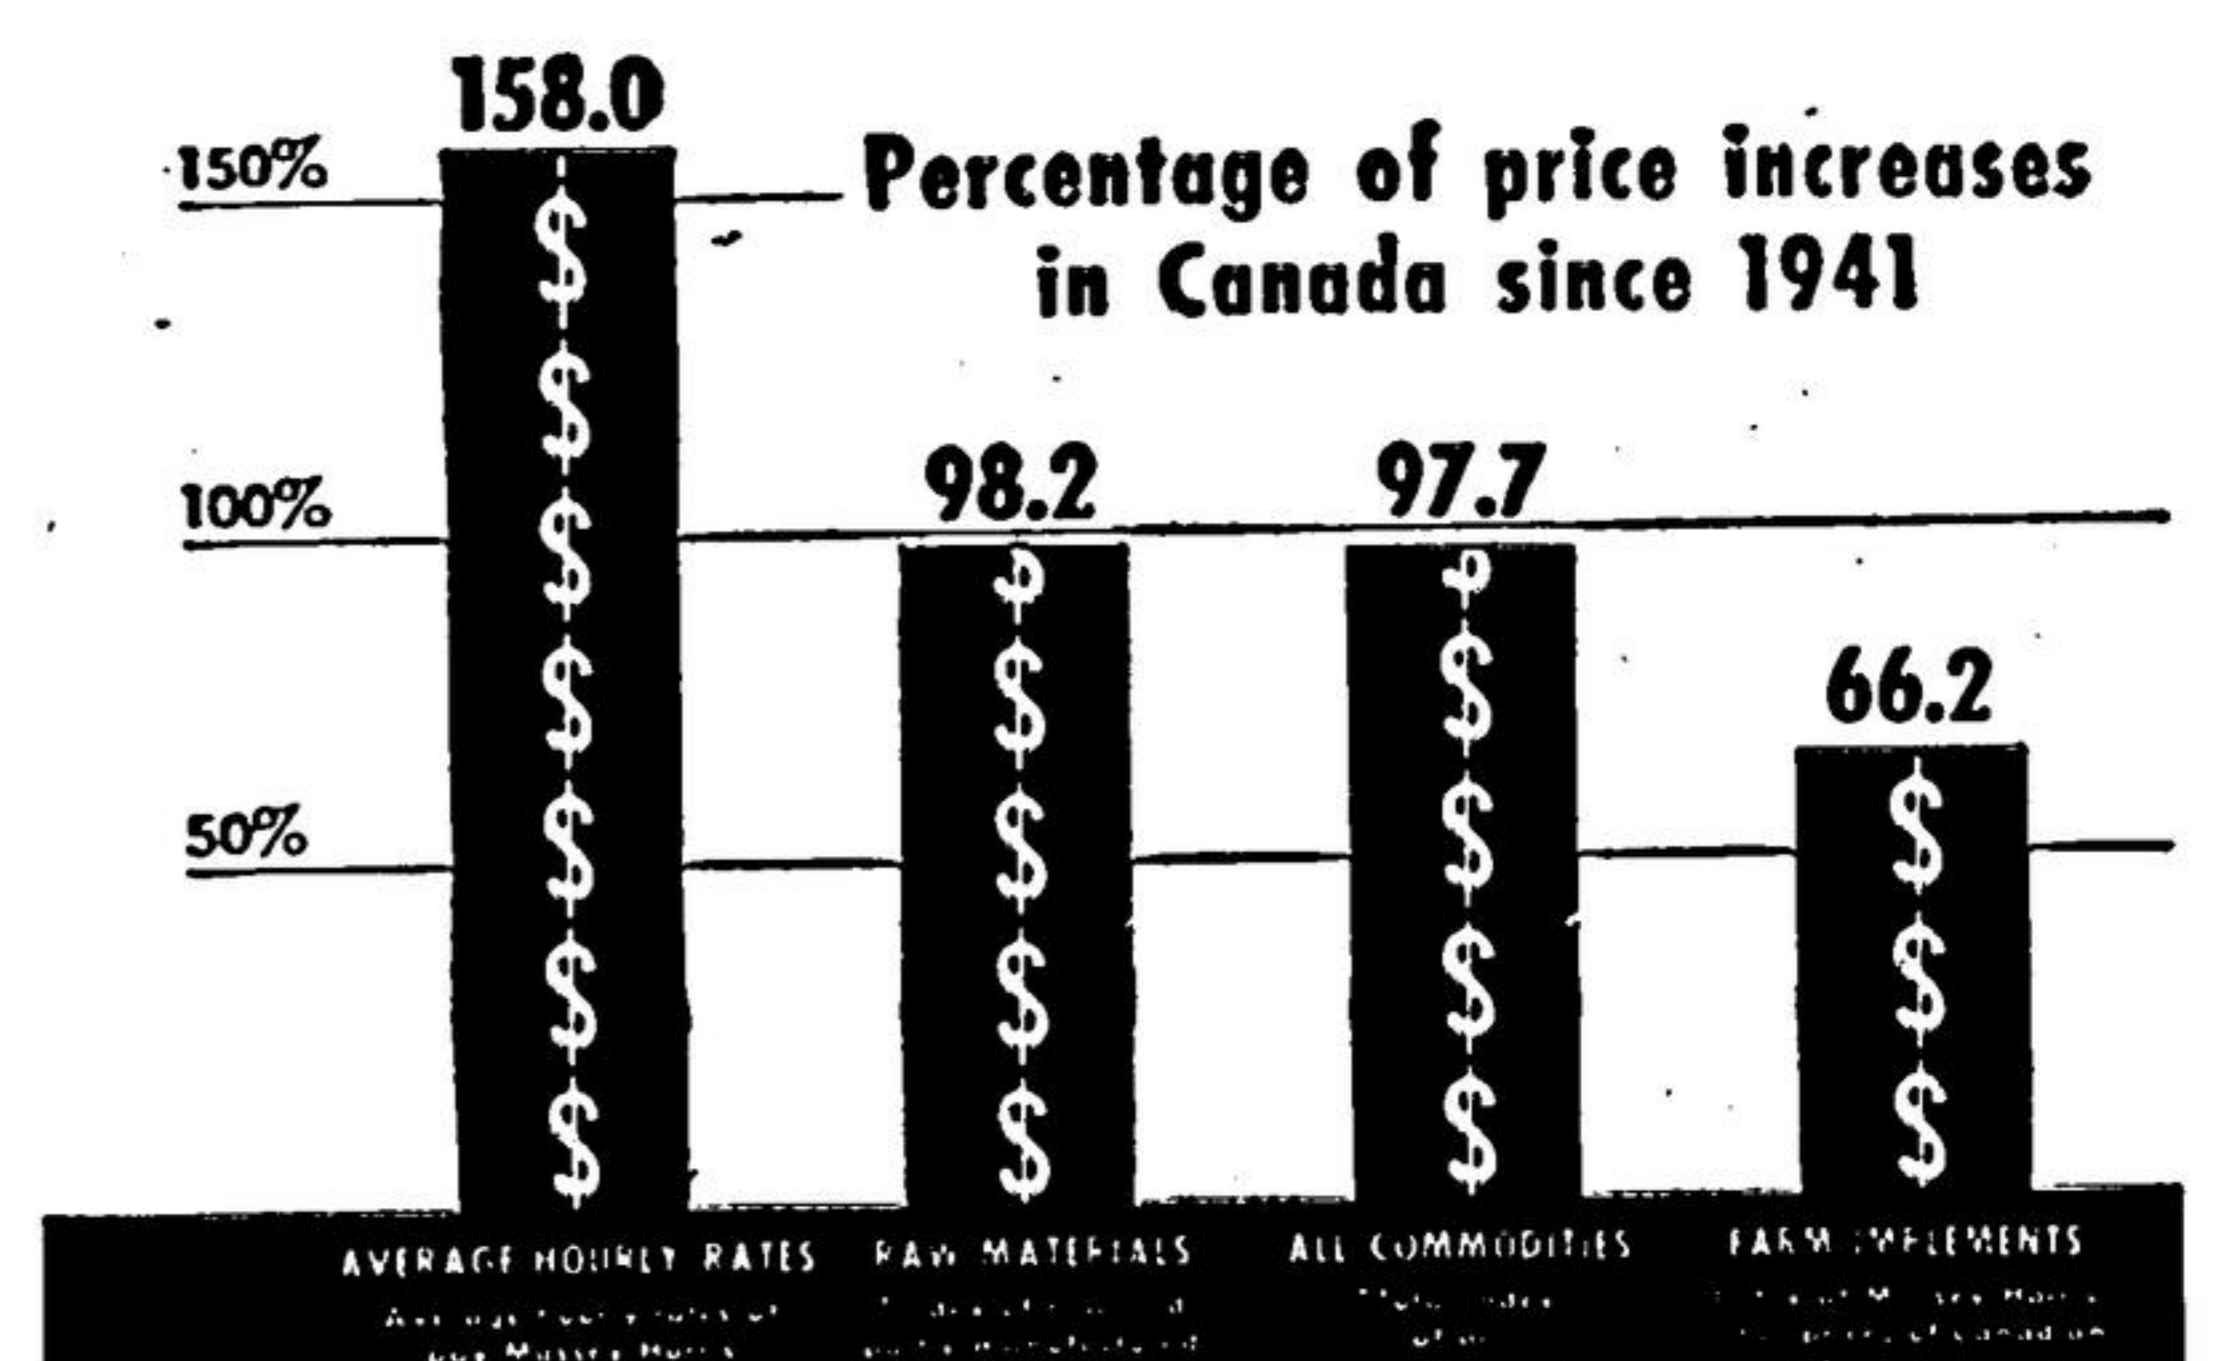

Bowman, Black and Shoemaker, Ontario land surveyors and engineers were engaged to make the necessary survey required by a petition presented to council under the Municipal Drainage Act.

Mrs. Pickett was appointed a member of Esqueging Community Hall board, representing Ashgrove Women's Institute and replacing Mrs. Cunningham.

Accounts Included Relief \$191; roads, \$3400; Clifford Storey, Acton, \$10 overpayment on 1951 taxes; H. B. Bell, \$1 overpayment on 1951 taxes.

NASSAGAWEYA COUNCIL LETS GRAVEL CONTRACT

Nassagaweya Council has accepted the tender of Elliott Sand and Gravel for supplying gravel this year. At the last meeting of council, warning was sounded that arrears of taxes up to 1950 must be paid by June 1st, of this year, or action will be taken against the default-

IMPLEMENT PRICES ARE LOW in comparison with prices of other supplies the farmer buys

- The outstanding achievement by Massey-Harris in keeping the prices of its Canadian-made products at a low level of increase over 1941, is clearly shown by the above chart of price indexes.
- All commodities are shown as 97.7% higher than 1941; raw materials are 98.2% higher; average hourly rates of pay Massey-Harris Canadian plants are 158.0% higher; yet Massey-Harris Canadian-made farm implements have increased only 66.2%.
- The continued great world demand for labour-saving farm equipment has given a volume permitting high operating efficiency in relation to production and selling costs, making possible the partial absorption of the increased costs of materials and labour.
- With the scarcity and high cost of experienced help, farmers find in modern machinery the means to maintain high volume production at low operating cost.
