Dancers Join With Hockey Fans To Welcome Home Victorious Juveniles

As usual, the Lions Club St. Patrick's dance in the Rose Room Friday was one of the gay social events of the year. With many hockey fans following the juvenile team to Lindsay to see them win an Ontario championship, there was a somewhat smaller attendance, but there was no lack of merriment as partygoers danced to the music of the Modern Aires and listened to blonde vocalists, Peggy Richards.

A number of lucky spot dances added to the enjoyment, prizewinners including Mrs. James F. Evans and Mrs. Walter Biehn. After the dance many went up to Main Street to gather around a victory bonfire and welcome the hockey team home.

Mrs. Farrar also plans to have chairs and umbrellas on the grounds this summer where guests can relax.

ASHGROVE

SCHOOL NURSE TALKS ABOUT "THE BABY"

The Women's Institute meeting was held on Tues. afternoon March 18th at the home of Mrs. George Nurse with a splendid attendance of ladies. The president, Mrs. Leslie Giffen opened with the ode and the prayer. Roll Call was answered by "A Supplication" and judging by the answers most people are superstitious. Two dollars was voted to the camp at Bolton for city children. Mrs. C. Hunter and Mrs. Thomas Giffen were appointed delegates to the Guelph Conference in April.

A nominating committee appointed is composed of Mrs. Bob Alexander and Mrs. Clayton Wilson. It was voted to have the next meeting on April 1st at the home of Mrs. John Ruddle. Speaker for the afternoon was Miss Wheelband, the school nurse for the county who spoke on "The Baby" and everything pertaining to its care. The motto was given by Mrs. Dick — "Grumbling spoils more hours than poor cooking." A duet was sung by two schoolchildren, Myrna Wilson and Rae Archer, a splendid reading by Mrs. Arthur Ruddle and current events by Mrs. Vern Pickett. A social hour followed the meeting.

The Women's Institute held a very successful euchre and dance on Friday evening, March 21 in the Community Hall at Stewarttown. Forty tables of euchre were played, winners being ladies, Mrs. K. C. Lindsay of Georgetown, Mrs. Charles Leriche of Onagh, Gents: Mac Alexander, Norval and Mr. Davies Door prize, Mr. Walter Lawson. Lunch and dancing to Hull's Orchestra finished the evening.

We are very sorry to have to report so many sick folk. Cecil Wilson broke two ribs one day recently. Frank Barnes was very ill with pneumonia. Mrs. Thomas Giffen and Glenn Stringer both underwent operations in a Toronto hospital. We all hope for a speedy recovery for them.

Miss Irene Huffman of Toronto was a weekend visitor with Mr. and Mrs. R. J. Graham.

SILVER-WOOD

Home Economist Tells Of Girls Club Work

The March meeting of the Silver-Wood Women's Institute was held at the home of Mrs. William Norton, twenty members and 8 guests being present and much laughter was enjoyed at the answers to the roll call, which were Irish jokes.

Many articles were turned in by Mrs. P. Snow for the Children's Aid and other members are doing sewing and knitting for this purpose. Plans were made for the forthcoming birthday euchre and arrangements were made for members to attend the conference to be held in Guelph in May.

Mrs. Ruth Clarke, the Home Economist for Halton County gave a most interesting talk on her work with the Girls Homemaking Clubs, telling of their Units of study, training of local leaders to carry on this work, and demonstrating a cotton dress made by a 13 year old girl. The 17 units stretching over a period of six years, give a thorough study of sewing, cooking and gardening with many angles to this work which trains girls and young women to be good useful citizens.

Silver-Wood Institute was pleased to have as four of their guests, the Homemaking Club leaders from Limehouse, Mrs. Sanford, Mrs. Brown, Mrs. Glady and Mrs. Kirkpatrick. Mrs. Peter Miller was welcomed as a new member, and, a very pleasant tea hour was provided by the hostess Mrs. Norton and her helpers, Mrs. Horace Bell, Mrs. Annie Stull and Mrs. H. Mannington.

"Aye, we're careful with your dollars"

Whether we are saving money and materials by reconditioning wire, cable — telephone equipment of all kinds — and putting it back to work... Or checking the fuel consumption of our trucks in the hope of saving a few cents per truck per day... Or devising new equipment that will carry a bigger load, or last longer, or cut down on repairs...

Keeping an eye on costs is part of our daily chore. To give you the biggest possible value for your telephone dollar we must get one hundred cents out of every dollar we spend.

Keeping your costs down has kept the cost of your telephone low. That's the way we both want it to be.
