

McNALLY'S HOME OF THE WEEK

THE DEVON provides space on the second floor for two bedrooms and a bath, which can be finished at a later date. There are two complete bedrooms and a bath on the first floor. There is also a combination living room and dining alcove which forms a well-lighted and cross-ventilated room with two views. All of the Devon's first floor rooms open into a small hall, allowing free circulation.

The kitchen cabinets and equipment are arranged to provide a maximum of working efficiency. There is space for dining at one end of the room. The kitchen is connected directly to the dining alcove and the hall.

There is a large wardrobe in each bedroom. Coat closets are convenient to both entrances. There is a large linen cabinet in the hall and a towel cabinet in the bathroom.

Overall dimensions of **THE DEVON** are 34 ft. by 28 ft. There is an area of 1062 square ft. and a volume of 23,920 cu. ft.

For further information about **THE DEVON**, such as blueprints, financing under N.H.A., or cash, see

MACKENZIE NEWS

Georgetown Juveniles wound up our hockey season with a blaze of glory by becoming Ontario champions.

For a permanent high quality floor it is hard to beat Oak flooring. The cost of 31½¢ for No. 2 Red Oak is moderate in comparison to other floor coverings.

It looks like a good week to rest up and do up your odd jobs.
