

## Legion Notes

LAST THURSDAY night was an evening at the Branch set aside for a dinner for the PeeWee, Bantam and Midget hockey players of last winter. The boys sat down to a hot meal prepared by one of the groups of the W.A., under the co-operation of Mrs. Fred McCartney. Grace was given by Rev. Alex Calder, minister at Knox Presbyterian Church, and one of Georgetown's most ardent hockey fans. All the boys seemed to enjoy their meal, and after topping it off with cake and ice cream, Alf Sykes asked that order be restored (ha, ha) while he presented the crests emblematic of the championships of each division. Pat Patterson, chief referee for the OHA, was there in lieu of Nelson Robinson, who was unable to attend; (at the Marlboro's again, we'll wager), his team of PeeWees were the winners of that group. George Sargent and the Glen Bantams then received the crests emblematic of the Bantam championship. Alf Sykes remarked here that this team (Glen) was the best behaved team of the season as well. Denny Wright and his midgets then received the crests for the Midget championship. Alf thanked all the boys for their cooperation during the year, and said he hoped that they would all be back next year again, and that he hoped the Legion would sponsor the project again. He thanked all who had helped during the season, paying special tribute to Tom Beckett, who had been the hardest and most faithful worker of the year, in his opinion. Rev. Alex Calder made a few brief remarks, saying that although he knew it was an expensive proposition, he hoped the Legion could see their way clear to repeat their magnificent job in future years. He said that Mr. Sykes, his committee and the Legion as a whole were to be commended on the season. The president of the Branch, Les Clark then said a few words, and finally, asked the boys to show how they felt about the man mainly responsible for the hockey provided. Alf Sykes. This was responded to by a terrific ovation (in fact we thought the tables were going over, for a few seconds). A number of the members then cleared the room and pictures were shown of various sports, including a hockey film, showing the Toronto Maple Leafs. After an hour's film, the evening came to a close with the singing of God Save the Queen.

very impressed with the whole program of hockey and the way it was handled. He promised his support in any way that he could give it. In case any of our readers aren't aware, Pat is the referee who has 'refed' so many local hockey games in the past, and is now chief referee for the OHA. While still working a farm in Norval a few years back, and commutes each day, Pat has been one of our most consistent Saturday morning workers.

THIS IS NO alibi for the juvenile defeat in Toronto a week ago, BUT due to a mistake on the part of the Marlboro's brass, the team our boys played were not midgets, but next year's Marlboro's Junior B entry!! Pat also said that Smythe, Irvin and the rest of the group felt that they owed the local boys an apology for losing them in against such fast company, but were quite impressed with our lads, and felt that with a bit more experience on the big ice sheet, playing in a heated arena, etc. they would really shine in any competition.

THE PICTURES taken at the W.A. play are now back and are quite good. Taken on Charlie Day's camera by Marsh Timbers. Charlie will be glad to let any one see them. He also has some that were taken after the last Branch election that a number of the boys are in.

DENNY WAS amazed to find a good attendance at his card party last Thursday night. He figured that with the kids banquet, and all there would be few there. Therefore it was a pleasant surprise to have a packed house.

DON'T FORGET the regular meeting of Branch 120 will be held a week Thursday, April 24th, at 8:00 p.m. sharp. All members please be on hand and help swell the crowd. The meeting will be short.

#### ANNUAL BUS TRIP FOR JUNIORS

Plans are all completed for the annual bus trip for members of Halton's Junior Homemaking Clubs. This year, under the leadership of Mrs. Ruth Clarke, assisted by local club leaders, between 80 and 90 members of Halton's Junior Homemaking Clubs will pay visits to the St. Lawrence Starch Company at Port Credit, the Royal Ontario Museum, the Toronto Star or Telegram and Casa Loma. All in all, April 16th will be a busy and enjoyable day for these fortunate Halton young people.

### BRIGADE CALLED TO STOVE, GRASS FIRES

Georgetown Fire Brigade answered two calls over the holiday week-end, but in neither case was any fire damage reported.

Thursday morning, the brigade was called to the home of E. Lorusso, Victoria Street when a faulty stove threatened to cause a fire. At dinner time on Good Friday a call was received from the Glen Road where a brush fire had got out of hand. Here the brigade supervised burning off the remainder of the grass in order to avoid further trouble.

The Infantry Recruit...

Keyman in Canada's Future Security

Growing in size and strength the Canadian Army Active Force needs more Infantry Soldiers.

The Infantry recruit is a keyman in our defence plans. For as he finishes his training he will take his place in the front lines of our freedom at home and overseas.

But it takes time to produce these highly trained soldiers. And to maintain our security, to discourage aggression, we must be able to meet any eventuality. That is why we must have more young men for Infantry training now.

If you are interested in Canada's future, now is the time to do something about it. Serve with the most important men in the Army — the Infantry.

There are outstanding career opportunities for young men in the Canadian Army Active Force.

You are eligible if you are 17 to 40, tradesmen to 45, and ready to serve anywhere.
