FARM NEWS
Seeding Makes Good Progress
Despite the late start, and the heavy shower which hit some sections of the County on Tuesday evening of last week, Halton farmers are making good progress in getting in the spring crop. On the heavier clay loam the soil is reported to be very hard — in short, it is taking a good deal of power and is hard on machinery in order to secure a satisfactory seed bed. The present fine weather continuing, a goodly percentage of the seeding will be completed when this appears in print. Despite the reported unemployment in urban centres, farm help of any value would appear to be just about as scarce as 'hen's teeth'. Needless to add, wages being asked are out of line with the prices being received for agricultural produce. In short, farmers are getting a real "squeeze." As a result of the surplus of all classes of meat, eggs and milk, prices being received by the producer, are much reduced. On the other hand, there has been little or no reduction in the cost of concentrated feeds, fertilizers, and other commodities required by the farmer for the operation of his business. In fact, certain commodities are up in price from a year ago. The embargo imposed as a result of the outbreak of foot and mouth disease is in part responsible for the accumulated surpluses but aside from this export markets for Canadian agricultural produce are very limited and consequently the old law of supply and demand is having a real innings at the expense of the agricultural producer. It would certainly appear as if 1953 is going to be a tough year for many farm operators — we can

only hope that 1953 will find the U.S. embargo removed and in addition other export markets developed.

FARM NEWS
BOYS, GIRLS CLUBS OFF TO GOOD START
The Court Room, Milton, was crowded to capacity on Friday evening of last week, when the organization meeting was held of Halton's three Calf Clubs and two Grain Clubs. Nearly one hundred young people from all parts of Halton were in attendance. In Calf Club work alone 73 young people between the ages of 12 and 20 years enrolled. This constitutes a record for the county. Agricultural Representative J. E. Whitlock assisted by A. T. Woodley, chairman of Halton's Club Leaders' Council, were in charge of the meeting, which was a source of inspiration to the many adults in attendance. Incidentally the large enrolment clearly indicated that the Club Leaders' Conference held in Milton a few weeks ago has already commenced paying dividends.
The election of officers for the various Clubs resulted as follows:
Holstein Calf Club (44 members) — President, Barry Archer; Vice President, Christina Marshall; Secretary, Treasurer, Ellen Hunter.
Jersey-Guernsey Calf Club (15 members) — President Earl Bayers; Vice President Grant Devlin; Secretary, Treasurer, Bob Joyce.
Beef and Dual Purpose Club (14 members) — President Sandy Buchanan; vice pres., Grant Devlin; Secretary, Treasurer, John Willmott.
Halton 4H Calf Club (12 members) — President, Lynne Coull; Vice President, Robert Marshall; Secretary, Treasurer, Arlene McArthur.
Halton Beaver Calf Club (10 mem-

bers. — President, Don Joyce; Vice President, Cliff Norrish; Secretary-Treasurer, Allan Parsons.

FARM NEWS
HALTON JUNIORS STAGE 7th ANNUAL "AT HOME"
The seventh annual 'At Home' of the Halton Juniors held at the Brant Inn, Burlington, on Thursday evening of last week was an outstanding success. Under the leadership of president Mac Sproul and his various committee chairmen every detail had received attention, and the event operated with a smoothness which would be the envy of any

adult group.
Among those acting as patrons and patronesses were Warden and Mrs. J. M. Wickson; Mr. and Mrs. R. G. Bennett, Toronto; Reeve and Mrs. Stanley Norrish; Mr. and Mrs. Ernest Clarke Thornhill; and Mr. and Mrs. J. E. Whitlock.
Guests were present from the counties of Brant, Wentworth, Waterloo, Peel, York, Lincoln, Haldimand and Welland. All in all it was a delightful event and a real credit to Halton Juniors.
—Remember the Boy Scout Paper Collection on Saturday. Have your papers out early or contact one of the boys.
