PLAY BALL

**Footitt Will Coach the  
Baseball Intermediates**

by Elmer  
The annual meeting of the Georgetown Baseball Club was held at the McGibbon Hotel on Thursday evening, May 8th. After considerable discussion as to the team's prospects for 1963 the following officers were elected.

President—Bob Lane, re-elected  
Sec.—Treas.—Spence McKinnon, re-elected.

Manager — Corey Herrington  
Coach — Bob Footitt  
Assist. Coach—Scotty Patterson  
Advertising—George Barber

Coach Bob Footitt is replacing Vern Bowman who has taken over the coaching of the Midgets. Coach Footitt has been a resident of town for the past couple of years, coming here from Acton where he played considerable ball, being on their Ontario championship team of 1947. Coach Patterson needs no introduction to the local fans, having been an outstanding player here for years. The team should do well under the tutelage of these two good ball players and the local fans can look forward to some real enjoyment this summer.

Owing to the real cool weather, the team has been unable to get in much practice. From here on regular practice sessions will be held so the team can be picked and ready to open the season next Saturday at Campbellville. Then the big opening here the following Saturday, May 24th.

The baseball booster tickets are going well and it looks as if the team will have no financial worries to start the season. If you haven't got your ticket yet, just ask any of the above officers and they will be glad to accommodate you.

**At Esquering Council**

ON MONDAY, MAY 5th

Passed the following resolution in connection with the proposed new high schools "That this council approve of building a high school in Acton at a figure that will meet the approval of the municipalities in the Area, when the assessment, is equalized according to actual assessment."

Instructed the clerk to prepare a by-law to adjust the salary of the Building Inspector.

Gave permission to the Ladies' Auxiliary Canadian Legion, to hold a tag day in the township on Saturday, June 21st.

Passed road accounts totalling \$4,538.28 presented by the Road Superintendent.

Paid claims for foxes destroyed to the amount of \$20.00, and relief account of \$37.19.

Fox claims were paid to: Newion Ruddle, \$5; Gordon Graham, Norval, \$5; Ian Emble, \$10.

Other accounts included: Bell Telephone Co., \$10.25; Municipal World, \$4; Grand Valley Conservation Authority, township's share, \$2.74; Ontario Hospital, Woodstock, \$48.00; A. W. Benton, \$14.00.

"Wot yo doin', chile?"  
"Nothin', mammy."  
"My, but you is gettin' like yo' father."

The old piano seat or coffee table can enjoy a new life as a

can be made from 1/2" plywood; height about 64" and each panel about 17 1/2" wide. Strips of 1/2" moulding are used for trim. Three hinges should be used for good support.

There are many other interesting suggestions like these in the booklet "Around the Home Again". Write for your copy to Molson's (Ontario) Limited, P.O. Box 690, Adelaide St. Station, Toronto.
