thinking of redecorating?

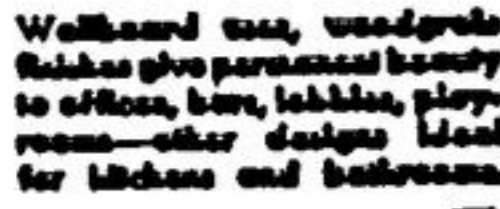

In the kitchen, say colorful Panelyte in impervious to fruit acids, boiling water, household cleaning fluids—its simple to keep gleaming clean.

For the bathroom, a bright surface enhanced by clean, hot water, ammonia, a surface that will not rust, stain or warp.

As a table top, decorative Panelyte is chip-resistant, proof-resistant, stain resistant and cigarette resistant! Dine away with politing and polishing.

Well-worn use, wood-grain finishes give permanent beauty to offices, bars, lobbies, playrooms—other designs ideal for lobbies and bedrooms.

PANELYTE the superior laminated plastic is ideally suited to the modern functional trend in design, in both horizontal and vertical surfaces.

**SIDE DELIVERY RAKE**

Get All the Hay...WITHOUT TANGLING, ROPING OR TWISTING

The MM Side Delivery Rake handles the hay carefully and turns the stems outward so they dry quickly. Leaves are thus protected against drying too quickly. The rake cylinder has self-adjusting action front and rear so that the teeth and spiral cylinder follow the contour of the ground... gets all the crop. Uniformly smooth action of the cylinder on the MM Side Delivery Rake helps prevent tangling, roping or twisting... gently deposits the hay in a loose, fluffy windrow for burl to form curls!

**BURT TO DO THE JOB. AT LOWER COST... LONGER!**  
 Heavy tempered steel teeth are quickly detachable in pairs. Spring coils give added strength to the teeth. The high main arch provides ample clearance for heavy raking jobs. The strippers are aligned to prevent hay from winding or bunching in the cylinder. This rake will carefully handle any crop.

**LIFE MEMBER'S PIN FOR MISS APPELBE**

Happy birthday to Gary Smith who will be 7 years old next Monday May 26th.

The birthday wishes for last week should have been for Freddy Corley, age 9, not for Bobby Corley. Verna Pickett chose the hymn "Holy, Holy, Holy," at last week's Junior W.A. meeting and conducted the worship service. A quilt was bound in the busy period. Mr. and Mrs. Oliver Tebbly of Mount Forest were visitors with Mr. and Mrs. W. Corley last week. Miss Winnie Rogers of Aurora visited with Miss Jeannine Humphreys over the week-end. Our young people have been "tak-

ing it" just lately — Donald Hodge was upset from his bicycle in a hole left from removing a hydro pile. His face was badly scratched and cut and needing repairs. He spent a week in the General Hospital but is home again and doing well. In the heavy windstorm recently Barbara Carhart had the heavy school door bang to on her finger. Barbara also had to have repairs. She is back at school.

Lynda Barclay entertained several of her playmates at her birthday party last week. She was five years old.

The W.A. meeting was held at Mrs. C. Smith's home.

Equipping Women's Institute meeting was held at Mrs. Young's home in the absence of Mrs. Harris, Mrs. John Murray presided. Mrs. W. Humphreys was appointed treasurer. Mrs. Young secretary pro-tem. At the closing of the business session Mrs. H. P. Lawson read a short address to Miss Elizabeth Appelbe and present to her a Women's Institute Life Member's Pin and Certificate. As Miss Appelbe was quite unaware of this coming she was surprised and expressed her thanks and pleasure. A little later Mrs. John Murray read an address to Mrs. J. McLennan, who has been a very capable secretary and presented a very nice table lamp to her. Mr and Mrs. John McLennan have moved to Milton, where Mr. McLennan will be nearer to his work. Mrs. McLennan was very pleased with the lamp and expressed her regret at having to resign from being the secretary, saying she had enjoyed the work and felt she had benefited by the office. Mrs. Young and Mrs. Grant were hostesses for the refreshments served.

**VARIED BUSINESS AT INSTITUTE MEETING**

On May 8th, 18 members and two guests attended a meeting of Silver-Wood W.I. at the home of Mrs. Spull. The president, Mrs. Miller, was in the chair. The new programs were handed out and met with approval. Members were told that their pen friend is to be a lady in Scotland, Mrs. Helen Fortune. Delegates to the district annual were named: Mrs. Miller, Mrs. Norton, Mrs. Lindsay, and Mrs. Bell. Reports of Guelph Conference were read by Mrs. Ern Batkin and Charlotte McCullough. Four ladies attended the conference, Mrs. Miller Mrs. Snow, Mrs. Henderson Sr., and Mrs. Batkin. Flowers will be sent by the W.I. to a neighbour, Mrs. Alfred Watson who is in hospital with a badly broken leg. An article of clothing was brought by each member for the Children's Aid and flannellette bought by Mrs. Marchington is to be used for further garments for the Aid. Mrs. G. Burt reported on activities of the Stone School association and the work done on cleaning up the schoolyard the previous Saturday. The teacher Miss Shaw will attend the prize planned for the pupils with highest marks for cleanliness and punctuality. Citizenship and Education convener Miss Isobel Moore took charge of the meeting when current events were given by Mrs. Bell; the motto "Tomorrow's character is made today" prepared by Rowena Stull was read by Mrs. Lindsay; and Miss Moore gave a paper on the W.I. founder, Mrs. Adelaide Hoodless. A discussion followed, then all enjoyed a social time. Mrs. Bell thanked the hostess and her helpers, Mrs. Burt, Sr. and Mrs. George Burt.

Congratulations to Marilyn Souther, again gold medalist in the solo class for girls 12 years and under.

Miss Lydia Hall of Brampton spent the week-end with her niece, Miss Marie Barbour.

Mrs. Alfred Watson is in Guelph General Hospital where she is undergoing treatment for a fractured leg. Mrs. Wilson, her sister-in-law, is spending a few days in the Watson home.
