ASHGROVE

Reports on Conference At Institute Meeting

Mrs. Hector Bird was hostess to the Women's Institute meeting on Tuesday, May 26th, with the president Mrs. Leslie Giffen in the chair. Roll call was "Name an Educational radio programme" with such answers as "Kate Aitken", "Court of Opinion", "Your United Nations," and many others. Delegates appointed to the District Annual in Dublin on June 10th were the president, secretary and Mrs. Percy Leslie. It was suggested that a parcel be sent through the Salvation Army instead of an English Institute. Mrs. Cliff Hunter gave the morning session of the three day Institute Conference held in Guelph in early May while Mrs. Fred Nurse gave the address of Mrs. Marshall at the afternoon session and Mrs. Milton Bird the address by Miss Florence Reynolds of the Food and Agriculture Organization of the United Nations. The motto was well given by Mrs. Fred Wrigglesworth "Music Hath Charms". Mrs. John H. Hunter delighted the ladies with her solo "Welcome Sweet Springtime". Current Events were given by Mrs. John Belliboddy followed by an interesting paper on the "Manufacture and use of Peanut Butter" by Mrs. Thomas Giffen. A social hour followed the meeting.

Little Miss Dianné Golden of Georgetown spent the week-end with her cousins Catherine and Nancy Hunter.

On Saturday afternoon Marilyn Wilson had a belated birthday party at her home. Marilyn's eighth birthday was in January but at that time she had the chicken-pox. So it was held on May 24th and her little guests were Catherine Hunter, Doris Pickett, Adrienne Nurse, Sandra Carney, Sharon Sweetie and Margaret Austin.

Lynton Reed of Toronto spent the week-end with his aunt Mrs. Geo. Wingfield and family.

The Young People held their meeting on Sunday evening at the home of Elmer and Marion Bird. Mrs. Blair, the school teacher, showed pictures of Ecuador and musical numbers were given.

**YOU BUY THE

when you invest in
up-to-date power
farming machines

Making use of up-to-date equipment to get more work done with less help is the most efficient and the most profitable way to operate a business.

In farming as in other industries power mechanization steps-up production,

increases the output of available manpower, and keeps costs down. The steady adoption of new machines to replace worn out or old-style equipment is an investment that pays off in easier more profitable farming.

In Massey-Harris machines you get the latest in equipment built to save time, save labor, and save money. Your local Massey-Harris dealer will be glad to give you full particulars.

Seagram TELLS THE WORLD

"For clean taste... look to Canada"

"Say 'Canada' and you think of sparkling clear air; of swift-running waters; of sun-drenched farms and orchards. It seems only natural, then, that there should be an especially clean taste to so many of the good things from this favoured land."

the world—in Latin America, Asia, Europe, and Africa. This is one of a series of advertisements featuring Canadian scenes and Canadian food specialties. They are designed to make Canada better known throughout the world, and to help our balance of trade by assisting our Government's efforts to attract tourists to this great land.

The House of Seagram feels that the horizon of industry does not terminate at the boundary of its plants; it has a broader horizon, a farther view—a view dedicated to the development of Canada's stature in every land of the globe.
