Classmen numbering 115 gathered for the celebration from many points in Ontario including Sudbury, Grand Valley, Palmerston, Toronto, Breslau, King, Brampton, Orangeville and Georgetown.

Following a hearty dinner in charge of Mrs. Percy Leslie and her committee, the president, Mrs. Oliver Hunter, extended greetings to all. Several new members were introduced and two minutes silence observed in memory of those who had passed on.

The clan gathered for lunch before bidding farewell to one another, having spent an enjoyable afternoon together, planning to meet again about the same time in 1954.

PUBLIC SCHOOL NEWS

MRS. A. PRESSWOOD HEADS LADY TEACHERS

On Tuesday evening, May 27th, the Women Teachers' Federation of Esqueping Township held their closing meeting of the term in Acton Public School. Thirty members were present for the re-election of officers which resulted as follows:

President, Mrs. Albert Presswood; vice president, Mrs. Algernon; Secretary, Mrs. Harold Henry; Treasurer, Mrs. Harold Henry. A tour of the new public school proved interesting, after which court whist was played, with prizes going to Mrs. H. Henry and Miss N. Jardine. Refreshments were served by a group of Georgetown ladies.

A new steel swing has been added to the playground equipment and should outlast the rope swings which haven't proved very durable.

On May 29th thirty-three members of Mr. Henry's class accompanied by their teacher and Miss Broadfoot went by chartered bus to Toronto. Their educational tour took them first to the museum where they heard addresses on Indians, armour and the Elizabethan room. One-half hour was allowed for visiting any division of the museum which interested them most, after which they enjoyed lunch in the museum cafeteria. They attended the Happy Gang program at 1:30 p.m. and proceeded to the Toronto Star Building. Some of the things that impressed them most there were the noise, the heat, and the speed of the machinery. This worthwhile tour was made possible by the sale of Christmas material earlier in the term.
