Assistant goalie for the Raiders hockey team since coming to town, Clem Dwyer is moving to St. Catharines.

Mr. Dwyer left his position as a draftsman at Smith & Stone recently to take a new position with the English Electric Company, and

has received a promotion to tool designer.

Mrs. Dwyer and the children expect to be joining him there the end of this month.

**SOME EGG**

A large egg, found among the rocks along the Credit by Jack Lawr, has proved to be a goose egg. It was a big one, and how it lodged among the rocks is a mystery.

Rhonda Fleming, Ronald Reagan and four-year-old Dennis Chang, sensational new acting find, share some stellar adventures in Paramount's Hong Kong, coming to the Roxy for two days next week.

Why give Father bright ties or socks for him to pass on at a later date to the zoot-suiters in the family.  
Why not spare his nerves from slamming doors and give him a modern screen or storm door closer at \$2.75. Or perhaps a combination door at \$17.45 to save him putting on and off screen and storm doors.  
See you at Knox Church auction on Saturday night.

**MRS. HAYES IN W.A. LIFE MEMBER**

A feature of the June meeting of the Woman's Missionary Society of St. John's United Church was the presentation of a life membership to Mrs. Clarence Hayes. Mrs. Alex MacLaren made the presentation and the letter with the gift was written by Mrs. Howard Inuit, the honorary president, who was a welcome guest at the meeting.

Mrs. Victor McDonald was hostess at the meeting which was held the afternoon of June 3rd. A sudden rainstorm made it impossible to be out in the garden which was looking delightful in its array of June flowers. There were 25 present.

President Mrs. Robert Jones conducted the meeting. She and Mrs. Gordon Kidney led the devotional. The theme was 'Race Relationship.' Mrs. MacLaren brought phonograph records of lovely music which were played while refreshments were served.

**Russ Thompson Escapes Injury in Accident**  
Russell Thompson escaped serious injury yesterday in an accident on his Limehouse farm.  
Mr. Thompson was driving a large tractor drawing a plough. Near the edge of a gravel pit, the earth gave way and the machinery plunged into the pit. He jumped free in time and escaped with scratches and bruises.
