Sister is Maid of Honour At Fendley-Harrison Nuptial

Wearing a white strapless gown of French lace and net over tulle, Shirley Fendley wed Elmer Harrison over tulle in a double ring ceremony in St. George's Anglican Church on June 14th. A matching lace jacket with a stand-up collar and lily pointed sleeves enhanced the wedding ensemble and a fingertip veil of tulle illusion was held by a crown of seed pearls and rhinestones. She carried a cascade of Peerless red roses and stephanotis.

Archdeacon W. G. O. Thompson performed the ceremony. The church was decorated with peonies and lilies. Mrs. W. F. Bradley was organist and Miss Shirley Forbes sang "The Lord's Prayer" before the ceremony and "O Perfect Love" during the signing of the register. Miss Joan Harrison was her sister's maid of honour. Mrs. Doris Townsley, Acton, and Miss Marie Hulme were bridesmaids and Miss May Irvine, Brampton, flower girl. Miss Harrison wore a strapless gown of mauve lace over nylon with a matching lace jacket with stand-up collar and three-quarter length sleeves, lace mittens, Dutch cap and carried a bouquet of Queen Elizabeth roses. The bridesmaids were similarly gowned. Mrs. Townsley in green and Miss Hulme in yellow. Both carried bouquets of Flare roses. The flower girl wore green tulle, matching Dutch hat and mittens trimmed with rhinestones, and carried a basket of tea roses. Mr. Harrison gave his daughter in marriage. Norman Young, of Brampton, was groomsmen, and the ushers were the groom's brother, Russell Fendley, Brampton, and Harold Townsley, Acton.

Receiving in the church parlours, Mrs. Harrison wore navy blue nylon over tulle, white accessories and a corsage of pink roses. The groom's mother wore dusty blue crepe, white accessories and pink rose corsage.

Leaving on a honeymoon trip in Muskoka and Manitoulin Island, the bride wore a navy strapless dress of nylon marquisette over tulle with matching bolero in white flower design, a white yelid pillbox hat, white accessories and a corsage of orchids. They will live on Interview Crescent, Georgetown. The groom is employed at Copeland-Chatterton, Ltd. in Brampton, and the bride is a member of the Smith and Stone office staff.

Rev. Fred Hunnisett Will Speak Here

Morning worship was conducted in St. John's United Church on Sunday by the minister, Rev. John M. Smith, who read the lesson from St. Matthew's Gospel, chapter 18: verse 37. Mr. Smith took as his sermon subject "The Consistency of the World." In his remarks he referred to the Christ as the world's conscience. The truth which He revealed to mankind was threefold in its significance—truth about God, the truth about man and the truth about himself. Such truths sets the glorious "ought to be" for the world over against the sordid "is" and acts as a conscience warning, challenging, inspiring and directing men and nations to make the "ought to be" a living reality in the lives of nations and individuals.

The music was provided by the Junior Choir which accompanied by Norman Laird sang "Singing for the King."

It was announced that next Sunday would be Fred Victor Day in St. John's United Church, when Rev. Wesley Hunnisett, D.D., well-known friend of suffering humanity and Director of the Fred Victor Mission in Toronto would be the guest speaker at the Sunday School and at the morning worship. Throughout the past few years St. John's has tried in various ways to aid the Fred Victor Mission in its work and it will be of interest to hear Dr. Hunnisett's story of mission work. Dr. Hunnisett is the newly appointed president of Toronto Conference of the United Church of Canada, an honour which in part pays tribute to his work at the Mission.

The St. John's Congregational picnic is to be held this Thursday in Stanley Park. Erin Ernest Alcott and his team from the Men's Club are the organizers of this event and something new in picnics has been added.

BON VOYAGE PARTY FOR MRS. RUSSELL

A bon voyage party for Mrs. James Russell, who left town yesterday bound for a three-month visit in England, was held Monday night at the home of Mrs. H. Hurley.

A number of friends attended the event, with bingo and a sing-song comprising the entertainment, and Mrs. Russell was presented with a handbag and a brooch. She sails aboard the Ascania later this week.

Chamber of Commerce Seeks Park Facilities

At a meeting of club and organization representatives called last Wednesday in the Municipal Building, by the Chamber of Commerce, it was decided to carry-out a short-term program, locally financed, for improvements at the park. A member of each of the following groups will form a committee to implement this: Council, Legion, Lions Club, IODE, Rebekahs, Agricultural Society, Women's Institute, town industries and Chamber of Commerce.

Present at the meeting were Mrs. Bert Tuck and Mrs. Ralph Prenswood, representing the Rebekahs. Mrs. Fred Sinclair and Mrs. Albert Livingstone, W.I.; Leslie Clark, Canadian Legion; Mrs. Ron Kitchen and Mrs. Bob Hoare, IODE; Harding Price and Charlotte McCullough, fair board; Ray Whitger, Lions, as well as C. C. directors C. J. Boutelle, Fred Chapman, Alex MacLaren, Jim Linton, Jack Malcolm and Joseph Gibbons.

Mr. Chapman suggested that the community could get together and install a children's playground with wading pool and picnic facilities at the park. Mr. Clark pointed out that the park might not be central enough and that it might be possible to utilize the vacant property between Main and lower Water St. The fact was stressed by several that proper supervision would be a primary consideration no matter where the location.

The chairman pointed out that the majority opinion favoured the park and a discussion took place on beautifying the present entrance and possibility of a second entrance from Maple Avenue. The question of government grants was brought up and it was decided to ask a representative from the Community Programs Branch of the Dept. of Education to meet the full membership of the Chamber and detail facts regarding recreational facilities for Georgetown. It is believed that the military authorities might be prepared to install proper washroom facilities close to the armouries.

MURFIN FIRM EXPANDS SINCE MOVE TO CITY

Since moving to Toronto last fall, Frank Murfin has greatly expanded his B. F. Murfin Sheet Metal Works.

He now has a staff of 18, including his brother Ralph, Cecil Brown, Ernie Whyte and George Duke, all of whom moved with him to the city, and has contracted to install close to 600 heating units in new subdivisions in and around the city. These included installations in

Amazing Speed Record Established By Bucksaw Champ

Twenty-one year old Gerard Lavoie, a tall, dark and handsome lumberjack from St. Ulric, de Mantane in the Gaspé peninsula, is shown at centre, bottom, establishing a world's speed record during the finals of the Canadian bucksaw contest in Montreal. His average for six cuts in 10-inch spruce logs was 7.1 seconds, a good second better than the previous record in the five-year-old competition. He had two amazing single cuts of 6.5 and 6.9 seconds.

The new champion who is 6'1" tall and weighs over 200 pounds, works for the Quebec North Shore Paper Company, in the woods north of Baie Comeau, Que. This contrasts with the ballroom of the Mount Royal Hotel where the finals were held. Some 600 delegates to the annual meeting of the Canadian Pulp and Paper Association's woodlands section were in attendance.

Sending sawdust flying in the soap of the banquet guests, the nine lumberjacks taking part in the finals put on a fine demonstration of speed in pulpwood cutting. Second in the finals,

with an average of 7.7 seconds, good enough to win hands down in former years, was Romeo Allard, 25, from Caousapca, Que. (at left, bottom) employed by New Brunswick International Paper, Dalhousie, N.B. Aime Martineau, (right) of St. Agathe de Lotbiniere, Que., representing the Ontario Paper Co. Ltd., Thorold, Ont., was third with an average of 8.7 seconds.

In the top photograph are the nine contestants, left to right: Gerard Brodeur, St. Paulin, Que., representing the St. Lawrence Paper Corporation Ltd., Three Rivers, Gerard Bernier, Cap St. Ignace, Montmagny Co., Que., representing E. B. Eddy Company, Hull, Que.; Paul Lavoie, St. Gabriel de Kamouraska, Que., representing the KVP Company Limited, Espanola, Ont.; Aime Martineau, Paul E. Champagne, Nicolet, Que., representing Canadian International Paper Company, Three Rivers, Que.; Yvon Roussel, St. Quentin, N.B., representing Fraser Companies Limited, Edmundston, N.B.; champion Gerard Lavoie, Adsonat Belanger, St. Leon,atapedia Co., representing Restigouche Co. Ltd., Atholville, N.B.; and runner-up Romeo Allard.

Averaging 5'11" over 185 pounds, and 23 years of age, these woodworkers represented nine of the largest pulp and paper companies in Canada whose woodworkers during the cutting season total some 40,000 men. A great many of them took part in hundreds of preliminary camp matches, followed by divisional quarter-finals, district semi-finals and company finals.

The new champ was presented with two trophies and cash prizes totaling \$150, donated by the woodlands section of the Canadian Pulp and Paper Association, sponsors of the event.
