 Ontario-Quebec Division of the C.W.N.A.

## A Suitable Memorial

Action of the family of the late Mr. H. Silver in establishing cash awards for proficiency in the local schools, is an eminently suitable memorial for a man who contributed much to Georgetown during his lifetime here. Mr. Silver was always one who could be counted on to assist when any worthy municipal project was in progress... a quality which has been carried on by the Silver firm under the management of his son Sid since his death. His business acumen created a store which would be a credit to a town much larger than Georgetown. That he realized the value of education was shown in the fact that he gave the best to his children. Sid, as most people know, is an engineering graduate of

## Community Effort Pays Off

The Stewarttown community is showing what can be done by concerted action these days. For some time, Corey Herrington has allowed people from the community to use the stream on his property for swimming. A few weeks ago, the idea of creating a larger swimming pool came up and soon there was so much enthusiasm that the Stewarttown Community Club was formed and plans made for enlarging the stream at a certain point. Last week a bulldozer did the job and created a pool 4 to 5 feet deep and measuring about 60x120. The grass is being cut, ground levelled, trees trimmed, and it is planned to

## Pot Pourri

Sylvia Patterson, daughter of Mr. and Mrs. "Pat" Patterson of Norval has joined the Royal Bank staff... Former residents of town who have lived at Preston and Hespeler since leaving town Mr. and Mrs. George Allen moved to Milton last week... Serious damage to his car was saved by a tree at the rear of Harold Hutchinson's Main St. property last week. Mr. Hutchinson had parked his car at the back of the store. There is a slight incline leading to a steep bank, and somehow the car was set in motion and rolled to the edge of the bank. Luckily it ran into a tree which grows in the bank and had it not been for this the car would have ended up in the Georgetown Lumber Co. yard below. A tow truck was necessary to get the vehicle back on safe ground again... The life of Mrs. Gault, whose death occurred last week, makes one realize how much one can get out of life in the face of physical handicaps. For years, Mrs. Gault was afflicted with arthritis in its most violent form which made her an almost helpless cripple. Where lesser people might have bowed to this she did not, and she retained a healthy interest in people and events which made it a joy for her many friends to visit and chat with her. Her good spirits in adversity are an object lesson to any who would complain about how life has treated

the University of Toronto. The H. Silver Memorial Awards at the public school will consist of a total of \$50.00 which will be awarded each year to worthy students who have passed their high school entrance exams. Details of awards which will be much higher in value are at present being worked out for the high school and the information will be available to students when school opens in September. The awards have the double purpose of rewarding students for academic ability, and of providing incentives for better effort during the school year. They will be open to all students attending school here.

put in picnic tables, seats and swings. A bath house is also talked at a later date. Besides numerous cash contributions, there has been much volunteer labour on the job. Willowbrook Park, located as it is on private property, will be strictly reserved for the people of Stewarttown and signs have been posted warning that it is for residents only. The committee which will guide the affairs of the community club comprises Bob Harris, Dave Barclay, Joe Standish, Cecil Walker and Mr. Herrington as an ex officio member. Their job, in creating a safe place for people to swim shows what community action can do. How about Georgetown?

them... Sam Penrice leaves next week to join his wife and family on the Isle of Man, where they have been enjoying a visit in Mrs. Penrice's homeland for a month. They will all return home in August... A quiz show from New York shows how little Americans know about Canada. The question was: Mary Pickford was born in Canada's largest city, the capital of Ontario. After some hesitation came the answer "Quebec". We shouldn't be too hard on the contestant, we suppose, when the script writer erred himself (Montreal is Canada's largest city, or need we say it)... Later in the same program. Question: Where is the Orange Free State? Answer: Florida... Bruce MacKenzie is now a salesman with Contractors Machinery and Equipment, Ltd., working out of Hamilton... The new, fancy embossed wedding invitations are proving very popular this year, and several orders have been printed by the Herald in recent weeks. Two attractive sample books are available at the Herald Office... Bill Hazelwood of Hanover is the new proprietor of the Empire Lunch, taking over recently from Elmer Hutchinson who has gone back to his farm at Irish Lake... Rumours are that another chain store may close out its Georgetown business.

## St. George's Centennial Year

1852-1952

Lord, we Thy presence seek;  
 May ours this blessing be;  
 Give us a pure and holy heart,  
 A temple meet for Thee.

 GRADE I TO GRADE II  
 Honours — Irene Hunter, Billy McIlwain, Alice Meyer, Pass — Patry Duffin, Gwendolyn Nichol.  
 — Evelyn Tait, teacher.

## ASHGROVE

### Hold Community Picnic At Stanley Park, Erin

The community picnic was held on Monday, June 23rd, at Stanley Park, Erin, when eighty five men, women and children gathered at twelve o'clock. All kinds of tempting food came out of the baskets for dinner and no one complained of loss of appetite. After all the goodies had disappeared, races were run off for the children, the Young People indulged in a ball game. After a suitable length of time the youngsters went in swimming — also those who wished enjoyed a boat ride until it was time to go home. Altogether the day was an enjoyable one and everybody had a really good time.

The Bright Star Mission Band met in the church basement on Sunday afternoon with their leader, Mrs. Wilfred Bird. The Baby Band president, Mrs. Vera Pickett, presided over the meeting and opened with the hymn 490. Scripture reading from St. Luke's chapter "The Good Samaritan" was read by Ann Barnes. Valerie Nurse read the minutes of the last meeting. Marilyn Wilson played a piano solo. Roll Call was answered by "Place Where You'd Like to Go For a Holiday" and most answers favored a beach and lots of water. Mrs. John Bellisbly placed a gold star on the certificate of merit indicating the splendid work the Mission Band did last year.

A piano solo played by Vera Pickett was followed by a graduation ceremony for Nora Barnes, from Baby Band. The Mission Band Organ formed an arch and while Nora came through they sang "Welcome to our Mission Band" after which Mrs. Frank Wilson told the story from the Study Book "Taming the Wild Horse". It was about Betty and Paul and how they helped Joe Henry a little Indian boy, and his accounts of his adventures and his adventures in the bush. The organists were Mrs. Bellisbly and Mrs. Pickett.

## Completely Covered?

DRIVING today is full of hazards. Even the most careful driver can be innocently involved in a crash which wrecks his car, the property of others... injures or kills his passengers or those in another car.

Is your Automobile Insurance ready for such an emergency?
