**AROUND
the HOME**

TIN CAN CRAFT!... That abused little tin can makes a very good candle holder, when you cut down the side with snips as shown. A fine flower container is made by cutting through one third of the side to move a section, leaving top and bottom in position.

NEW USES FOR OLD PICTURE FRAMES... transformed into shadow boxes, trays or small serving tables. For a shadow box, build a little depth with plywood, or insert shelves for small ornaments and tiny plants.

Many other suggestions like these in the booklet "Around the Home Again". Write for copy to Molson's (Ontario) Limited, P.O. Box 400, Adelaide St. Station, Toronto.

**Owen-Tennant Wedding
Christ Church, Brampton**

A pretty wedding was solemnized in Christ Church, Brampton, on Saturday, July 19th, at 3 p.m., by Rev. R. H. Howson of Bolton, when Ruth Irene Tennant, daughter of Mr. and Mrs. E. E. Tennant, 35 Guest Street, Brampton, was married to George Eric Owen, son of Mrs. W. Fallowfield, Centre St., Brampton, and the late G. Owen. The church was beautifully decorated with palms, ferns and red gladiolus. Mrs. W. E. Glenney presided at the organ and Mrs. W. Reid was soloist.

Given in marriage by her father, the bride wore a gown of white brocade satin, fitted bodice, full skirt, long lily point sleeves, silk illusion veil, head piece set with seed pearls and carried a bouquet of white gladiolus, gardenias, stephanotis and ivy. Her maid of honour, Miss Margaret Tennant, wore green brocade satin with low scalloped neckline, fitted bodice, full skirt, matching mittens and cap and rhinestone necklace. Mrs. E. Malby, as bridesmaid, wore similarly attired in mauve, and carried a semi cascade bouquet of yellow gladiolus. Miss Janet McCracken, niece of the bride as flower girl, wore yellow brocade satin with matching cap and mauve sash and hair ribbons, and carried a basket of mauve sweet peas and wore a silver bracelet, the gift of the bride. Mr. W. W. McCracken was groomsmen and the ushers were Medars, H. E. Tennant and D. H. Beckman.

A reception followed in Christ Church parlour when the bride's mother received the guests wearing a dress of powder blue crepe with navy accessories and corsage of mauve orchids. The groom's mother wore navy crepe with lace

FARM NEWS

**Twilight Meeting at
Hurren Farm**

Some 70 Halton farmers attended the Twilight Meeting sponsored by the Halton Crop Improvement Association on the Robert Hurren farm near Campbellville on Tuesday evening of last week. The first part of the programme centred around the replicated oat and barley variety tests laid down on the Hurren farm by Russell Hurren. Despite the dry season the plots were in excellent condition and here Professor James Laughland of the Department of Field Husbandry, led a very informative discussion. Two new varieties known at present as G.A. 14 and G.A. 19 appeared very promising. They are the result of selections made from crosses between Erban and Ajax. Among the barley varieties an American variety known as Moore also appeared to be superior to some of the older varieties being grown. Promising new O.A.C. productions included the G.B. 11 and G.B. 19.

Prof. Wm. Toss also of the Field Husbandry Department at the O.A.C. gave an excellent address on Forage Crops. The programme also included a brief discussion on chemical weed killers by Stanley Young of the Crops Seeds & Weeds Branch of the Ontario Department of Agriculture, Toronto. Many of those present also took advantage of the opportunity to see some of the labour saving devices being utilized by R. A. Hurren & Sons on their outstanding farmstead.

... navy accessories and corsage of pink roses. The young couple left for a trip to Montreal and Quebec, the bride wearing a dress of mauve and white printed silk and white accessories and corsage of white orchids.
