Mrs Pickett is a member of Ashgrove Institute. Mr. Pickett served a term as a Stone School trustee when he lived on the 7th Line.

Georgetown Ties Baseball Series with Port Credit

The second game of the two out of three series for the semi-finals in the B group of the Halton county baseball league was played at Acton Park on Saturday afternoon. As Port Credit had taken the first game of this series at Port Credit earlier in the week by a score of 9 to 8 in extra innings it was very necessary that the local boys cop this one.

Just about one hour before game time a thunder storm with heavy rain made it look like it would be impossible to play. And after three innings the storm came around again to postpone the game for nearly an hour. However, the weather man decided to behave for the rest of the afternoon so the game could be finished. And what a game. With the wet ball the batters had a field day and errors were a dime a dozen. First one team would take the lead, then the other with the final score being Georgetown Combines 15, Port Credit B-Hives 14.

This game had all the excitement in the world with home runs, stolen bases, clashes with the umpires and everything that goes to make a good game of ball.

A better crowd than usual turned out to see the game and we know if the weather had been more promising that we could have had a record crowd.

The final game of this series will be played in Port Credit on Thursday night of this week starting at 6 p.m. The local team is all keyed up to take this series so they can take on Milton in the final series. The Milton series which is a 3 out of 5 game affair will start in Milton this coming Saturday afternoon. If the Georgetown team is their opposition which we hope they will be, the second game of the Milton series will be at Georgetown Park on Wednesday, August 13th. If necessary we can put on extra men at the gate to handle the big crowd of baseball fans. How about it?

'A BUNDLE OF SOUTHERN SUNSHINE'

They took a bundle of bright southern sunshine
And for a heart they used a rose,
The blue of the skies, they used for his eyes
And honeysuckle from his head to toes.

They made him sweeter than the sweetest of sweet things,
And gave him to the world, to make it smile,
You'll always be in love with this angel from above,
He's a bundle of southern sunshine.
