**PORT CREDIT WINS FINAL
COMBINES THROUGH FOR '52**

At Port Credit on Thursday the final game in the semi-final series for the Halton League B playdowns was played. Each team had won one game so this was it, to see who would carry on against Milton in a 3 out of 5 series, the winner of this to go on in O.B.A. playdowns.

Georgetown and Port Credit were supposed to be at full strength but sorry to say, while Port Credit fielded a good team, the Georgetown boys were only able to field a makeshift line-up. The regular catcher, Sonny Townsley, the 2nd baseman Tyler, infielder Glen Gibbs, infielder Scotty Patterson were all absent due to being on holidays. And our regular short stop Jimmie Kirkwood who is rated the best shortstop in the league was off due to being sick. Also Pee Wee Masters and Sammy Sinder who were both signed to playing certificates were very conspicuous by their absence. For what reason we don't know.

When the game started we only had 8 men present. Pic Dillon, one of our regular outfielders took over the catching chores. Bob Lane, the president of the club put on a uniform and took over right field until Crawford Douglas arrived and took over his position. Mel Jordan, a pitcher took over 1st base, Ab Robinson took 2nd, George Barber at shortstop and Harry Chappel at 3rd. The outfield was composed of two regulars, Ron Crandell, and Bobby Bruce plus Douglas as mentioned above.

Spike Scott did the pitching and deserved to win on his efforts. He had 4 strikeouts and only gave up 6 hits but errors and unearned runs killed his chances.

You can't blame the boys who gave their best but under the con-

ditions of having to play in positions they are not used, or fitted for, what can you expect? We feel some of our regulars could have been there and won this for us, but if other interests are more important when a crucial game like this is on tap, then we are sorry to say that as far as we are concerned baseball died a natural death at Port Credit on Thursday night, August 7th for the Georgetown Intermediate Club.

Port Credit proved good competitors and fine sportsmen and we congratulated them on their win and wish them every success in their quest of the O.B.A. Intermediate B championship. Final score, Port Credit 8, Georgetown 4.

JUNIOR FARMERS PLAN JUNIOR PLOWING MATCH

Halton Junior Farmers, under the leadership of president Mac Sprowl are staging their annual Junior Plowing Match at the Cliff Wrigglesworth farm at Hornby next month with the assistance of the Halton Plowmen's Association an excellent prize list is offered.

Four classes are provided, all being with tractors. The first class will be for beginners 16 years and under; a second class is for contestants under 21 years using tractor-mounted plows; a third class for plow boys or girls 21 to 25 years, inclusive, while the fourth is for contestants under 21 years using standard equipment. It is from this latter class that a team of two will be selected to represent Halton in the inter-county tractor event at the International, which this year is being held at the Carp airport in Carleton county, October 7th to 10th inclusive. It is anticipated that competition in this class will be particularly keen with quite a number of the younger plowmen striving for the honour of representing Halton in the big event down near the Capital City.
