ALL ABOARD FOR THE BRANCH 120 PICNIC SUNDAY!

Last minute arrangements are all complete for the big picnic next Sunday, August 24th. The committee have been working hard and promise you a real affair and have certainly gone all out to make the affair a real "go". All we need to really put it over the top is every member of the Branch and their families... plus a real nice day.

There are plenty of rates for the kiddies and grown-ups, and there are excellent prizes. Chairman for the races, Denny Wright has done a swell job, rounding up a rich live program of events, and with his assistants hopes to see plenty of entries. Free refreshment tickets will be issued all children on the arrival of the buses at the park. There are also ponies which have been hired for the day, as well as the swings, slides and of course swimming. There are two clowns also going along to provide amusement for young and old. And of course the ball game and picnic supper. All details are in the ad on this page.

P.S. If your baby is too small to walk, bring the baby carriage. We'll see they get over there and back safely (the baby carriages, that is). LET'S SEE YOU THERE!

The only sore point of the whole affair is the grudge against the ball game is developing. From what at first was a nice friendly game, it now transpires into a deadly serious affair with each side bound to win. In fact, rumor has it that bitterness really flared when Gord Sluggers King and Scotty last week after his return from Florida. Scotty evidently mumbled something under his breath about showing King a thing or two when he comes up to bat, and was overheard by Sluggers who promptly took after John Fortunately Nick Brown, Bob McMenemy and Eric Tomlinson managed to hold the infuriated Sluggers until Scotty made good his escape. Chubby and Larry Ritchie, after reading last week's column, demanded an apology from Jim Bradley who told them "Certainly, I was misguided by that joker that writes Legion Notes. I distinctly said, I thought BOTH teams were bound to just you guys."

Scotty still maintains that he will pitch a no hit game while the boys are equally confident they'll make him look like an old man out there. (Come to think of it, time is marching on isn't it John's Rene Martin and Herb Arnold now number among those who predict home runs for themselves. On the other side, the "Scrubs" are also predicting big things. They don't figure on letting the pitcher have all the glory but expect to really give Harry Chappel a real ride. Time will tell.

Among those playing for the Scrubs are Ken Nash, Jim Sargent, Jack Kemshead, Joe and Art Stamp, Nick Brown, Shel Lawr, Bill Chaplin, Fred Maveal and Ormie Carter, plus pitcher Patterson. The regular 120' team, of course are known to all the members. When asking a couple of the "Scrubs" what they thought about the whole affair Ken Nash said "Well, there goes John, putting himself away put on a limb again! There's no doubt we will win, but we just hope Scotty can go the course. After all, the poor guy's getting pretty old to be out there pitching aging youngsters

And this year, they are definitely promised PONIES for their pleasure.

like Larry Ritchie and George Chaplin." Nick Brown said he figured that he'd like to give Chub an idea of how a real hitter operates. "If he (Chub) is leading the league it's just about time it folded" said Nick.

Anyway, there's nothing like a good grudge match to keep interest stirred up. So don't miss it folks. Branch 120 Regulars vs. Scotty's Scrubs. The bookies are busy taking bets on the outcome, but are not giving any odds either way! The pay-off of the whole affair, tho, came last Sunday. Scene: a bus enroute to Provincial Paper's picnic stops to pick up another passenger. Said passenger, much to the surprise of everyone clambers up, and settles down. About half way to Erin he finds out that he's just a week too early, and going to the wrong picnic! The party, Larry Ritchie, Guess he wanted to be sure to be in lots of time for the ball game.

Warrior's Day Saturday Buses leave the Legion Hall at 8:30 and return after the grandstand performance. Tickets for the bus are available from the steward as well as free CNE tickets. List must close tomorrow night.

A ball game has been arranged by Sports chairman Denny Wright and Scotty Patterson with a V-Roe's topnotch team. This should really be a bang-up game and will bring out a good crowd, we hope. The boys deserve a lot more fans out to see them than they have been getting. The executive talked the situation over with the sports committee and decided that as both affairs would fall at approximately the same time the boys could run the corn roast this year. If they wished and combine the two events, the corn roast has always been a very popular affair and always attracts a good crowd. Details are posted on the bulletin board.

We've got a new musician in the Legion now, and he certainly is being literally worked to death on the piano Jack Wareing and Harry Hale teamed up to hold a singing session that was one of the best impromptu events we've seen in a long time. In fact it was so good that we would like to see them get together and arrange to hold a sing song on a set date and we predict that the room wouldn't be big enough to hold everyone! Jack is very versatile playing with equal ease the classical "Ave Maria" down the line to "Bells of St. Mary's", "Lili Marlene", "Galaxy Bay", or "Beer Barrel Polka". Let's have a lot more of those pot-ty-brothers fellows. That's what the Legion Hall (and the piano) is for.
