### FARM NEWS

#### Jersey, Guernsey Breeders Prepare for County Show

Last year's dairy cattle show at Milton was the best on record. As we recall, some 350 head of Halton's best cattle paraded in the respective rings. This incidentally, was in addition to the splendid Calf Show. Judging by the interest shown to date everything points to an even bigger exhibit at Milton on September 27. During the past week president Wm. G. Booth of the local Guernsey Club accompanied by the local Guernsey Club secretary, secretary of the Ontario Guernsey Club visited a few of their newer members. The Jersey breeders were also active, and vice president Ken Ella, and Hugh L. Beatty accompanied James Brenner, secretary of the Canadian Jersey Cattle Club, on a tour of some of the Jersey herds in north Halton. With fine weather prevailing on September 27th, the official judges, namely Bert McGrath of Valleyanna Farm, Adam Calder of Westworth Co. and Hardy Shore of Glanworth are going to have their work cut out for them in the Jersey, Guernsey and Holstein rings.

### FARM NEWS

#### Halton Juniors Go To Leadership Camps

The leadership schools and camps organized by the Junior Farmers of Ontario in recent years are proving real dividends. Those in touch with the Junior Farmer movement report a tremendous improvement not only in Junior Farmer activity but in the willingness of Junior Farmer officers to accept responsibility and run their own show. This has been very evident in Halton, and not a little of the credit must go to the leadership schools and camps which have been held. The provincial Leadership camp was first organized in 1947 and each year Halton Juniors send a number of their leaders. This year's delegates are Harold Trivett, 1st vice president of Halton Juniors and Betty Price, vice president of Brockville Junior Farmers. They will spend a week at the Provincial Camp at Geneva Park, Lake Couchiching, which opens on Tuesday, September 29th. A district camp open to the Junior Farmers from central Ontario counties is now in progress at Camp Ashby, on Lake Simcoe. Halton delegates in attendance are Marion Porter of Acton, Billie Evans of Brookville, Evelyn McClements of Wilmett and George Clements of Milton. Thelma Brown and Gordon Bird of Norfolk and Garol Pope and Edwin Tyrrell of Palermo.

## Legion Notes

Well, that was a busy week-end for the Branch, wasn't it? What with three busloads (the most ever) going to the Warriors' Day CNE parade on Saturday. The crowd at the Ex as usual, was terrific, and the parade as big as other years. The buses arrived back in town at one o'clock the next morning.

Well, the picnic seemed to go over in a big way. Our personal thanks goes to all those who helped in any way either in the arrangements or in the running of the day itself. There were 538 set down at one time inside the pavilion, and quite a number, we'd say, shell over a hundred, either ate earlier in the afternoon or ate out on the pretty little tables in the open air. So we figure that the actual attendance figure would be getting awfully close to 700. This certainly speaks for the popularity of this event, started last year, has attained with the members. Next year, with luck (and a repeat of the singularly fine weather we had this year repeated), we see no reason that over 1000 members and families should be there! That's a big figure, we know, but we still think it within the realm of possibility AND just as a thought, you could remind your husband that it might be a fine gesture if they turned out in the same force to our monthly meeting. How about sending every one of them out to September's meeting? The date, Sept. 29th.

In 1953, to the point. The water was not a bit discouraged when he arrived at the Legion Hall at 12:30 to find only three or four people there and immediately he set out to find the whole affair was going to be a horrible flop! By ten to one, however, there was a trickle of people arriving and then a few minutes later the buses started to arrive packed to the doors, from the various other pick-up points. In fact the bus was the only one not full and the others found people standing in the aisles. Luckily there were a number of cars come around by the Legion after the bus had gone and picked up the all crowd that had arrived late.

The sports got under way right on time and the races went off like clockwork. There were races for young and old and prizes for all the children under five years. There were a number of novelty races and when we say novelty, that's precisely what we mean. The part we particularly appreciated was the fact that practically every member participated, along with their wives.

The prizewinners were:  
6 and 7 years: Boys, Paul Stamp, Jim Bouzard; Girls, Roberts Hawes, Heather Arnold.  
8 and 9 years: Boys, Dave Stamp, Bob Watson; Girls, Karén Norton, Marlene Kernshead.

Remember the big ball game and corn roast this week end. We expect to see a really large crowd out there to see the boys play the well-known A V Roe team. This team has a lot of really experienced ball players, and their pitcher is supposed to be one of the best. So the game should be well worth seeing. The details of the game and of the corn roast are on the bulletin board in the Legion Hall.

The industrial ball league held a meeting last week and arranged the playoffs. So there should be plenty of ball in town for fans from now on.

LAST MINUTE FLASH: As this part of the paper is going to be printed, we have a phone call telling us that the 120 Club plays in Lakawabaw on Wednesday night with the return game here either Friday or Saturday night at 6:15. We hope to have definite information in an ad somewhere else in the paper. So check the date!

### Shots With Gunmen Stan Grabb Exchanges

News of a former Georgetown is contained in the papers down Windsor way.  
Stan Grabb, who joined the Ontario Provincial Police after selling his furniture business to Harold McClure, was first stationed at Essex and is now at Harrow. Recently in a police cruiser he chased a stolen car for fifteen miles over a side road in Essex County and exchanged several shots with gunmen. The car escaped in the dark, however.
