Win Another Close One Lakeview is Next

Thursday night saw the second and final game in the O.A.S.A. series between Acton and Georgetown. The final score was 10-8 for the 120 Club, the local Legion team.

As in the previous game, the Acton team ran up an initial lead, only to have Georgetown tie it and go into a lead which they held for several innings. They came a series of errors and Acton managed to tie the game. Going into the 9th, with Georgetown at bat the score was tied 8-8. Georgetown managed to get two runs. With Harry Chappel pitching near ball, in the last half of the ninth, coach Patterson substituted Barry at first, and went in as catcher. Chappel managed to hold Acton scoreless. The game featured some nice pitching by Chappel for Georgetown and Bude Lindsay for Acton.

This was a best two of three series with the Legion team taking it two straight. They won the first game on a score of 11-10 last Tuesday night. They now advance into the next series with Lakeview.

This ball is being played in the league sponsored by the O.A.S.A. The Georgetown entry is the team that has been playing all season as the Legion entry in the industrial league and with games resumed in the town league, the 120 team find themselves a busy group. Their entry are playing an exhibition game with A. V. Roe this Sunday afternoon in the park. The Acton

outfit is reputed one of the best teams in Ontario, and especially are noted for their exceptional pitching star, Norm Bagnell.
