Fall Fair Attendance Suffers . . . Too Hot

LARGEST ENTRY LIST MAKES FAIR BEST SHOW IN YEARS

The hottest day, the largest number of entries and the best fair in years from an exhibition standpoint, sums up Georgetown's annual fair on Saturday.

The weather had an adverse effect on attendance and gate receipts were down some \$200 over last year. About twenty show birds were casualties in the poultry show. The new livestock building proved its worth for sheep, cattle and hogs, and kept them comfortable, although some of the heavier cattle were almost knocked out by the intense heat.

J. F. Trimble, Streetsville, won the Royal Bank silver tray for best Holstein herd in this heavily contested class in which there were eleven exhibitors. The calf club was the outstanding feature of the show, with 52 young men and women entering. Sandy Buchanan, Mofat, was top showman and won the Bulova watch presented by the Bank of Commerce.

Mrs. Wellington Wilson made a clean sweep in hall exhibits. For most points in the hall she won the T. Eaton Co. silver centerpiece, the Robt. Simpson Co. casserole for the most points in ladies work, and the Daymond electric clock for most points in flowers. Mrs. Norman Robertson had most points in domestic science and won a kitchen stool and the McClure award.

Mayor Jack Armstrong opened the fair. Tony Gregg was master of ceremonies, a job which he has filled for several years. Oldest person attending was 92-year-old George Gollup, Norval.

Horse racing and the horse show kept the grandstand crowd interested, while an excellent midway, exhibits of cars and farm equipment, and numerous refreshment booths operated by local organizations were interspersed on the grounds.

Included in the hall exhibits were displays by a number of district Women's Institutes, and local and district public schools. A non-competitive flower display by A. Thornton, Limehouse was also a feature. The pony race was won by Robert Russell, Norval.

The Friday dance in the arena was successful. The hall was also open Friday and many took the opportunity of seeing the exhibits that night. The IODE had charge of a Blindcraft booth at which articles made by the blind were on sale. Georgetown Girls Pipe Band played during fair day at various spots on the grounds.

The Hereford calf, Daisy's Lass, raised by Horace Barnes, was won in a lucky draw held by the fair board by Graydon Chester, Norval.

Georgetown Team Mooted For Avro Hockey League

Steamer Emmerson, who is one of the hundreds of local men on the Avro staff at Malton is anxious to have a Georgetown entry in the house league which will take over the hockey ice surface at Brampton Arena Saturday afternoon this winter.

Stehmer has already spoken to several Georgetown hockey players employed at Malton, but there are others on different shifts whom he would like to see. He asks that anyone interested in joining the team get in touch with him as soon as possible. He also needs a manager for the team.

Some of the hopefuls already lined up include Jimmy Coffell, Art Sheppard, Cliff Norton, Jack Hamilton, Charlie Jones, Ev Wilson, Blake and Dunc Baxter, Charlie Hennessy, Bill Barry, Joe Louth, "Hoot" Wylie, Bruce Gummer, Herbie Wright, Denney Wright and Bill Muir.

Which makes us wonder just what we'll have in the local industrial this winter if this trek to Malton continues.

The new president, Mrs. E. Burke was in charge. Roll Call was answered by "Naming an article manufactured in Halton and where".

Acton B-Hives Must Win To-morrow

Acton B-Hives have their backs to the wall in the playoffs with Streetsville and Thursday night will be fighting to keep in the running when they play the fourth game of the series in Acton.

After dropping the first game 17-15 to Streetsville, B-Hives came back strongly in Acton Saturday to swamp the visitors 29-8. Last night, with high hopes they travelled to Streetsville, only to lose a thriller when Harvey Madgett scored the winning goal in the last 5 seconds of ten minutes overtime. Final score 11-10.

If Acton wins tomorrow, the final game is slated for Streetsville on Friday.

Zeke McCandless led the Acton scorers last night with 3 goals and Paul Landoni and John Kruppek each got two. Singles were scored by Johnny Haines, Larry Tallefer and goalie Jim Robinson who replaced Norm Young, out for the season with an injured knee. Madgett was a triple scorer for the winners.

In Acton's earlier win, Fred Kentner led the scoring with 6 and McCandless and Doug Townsend each had 5. Bob Wilson and Junior Beaumont scored three apiece. The game was rugged and Streetsville put up a better battle than the score would indicate.

SCOUT NEWS

Boy Scout and Wolf Cub activities are under way again and plans are being made for a good season of fun and plenty to do.

Two new assistant leaders will be helping S.M. Reg Brownhead this season. They are Walt Richardson and Gerard Wilcox.

It is planned to form a Rover Crew this fall. The nucleus of the crew will come from last year's Senior Scout Troop. The change will take place early in October. Any young man 16 years of age and over may join providing they are willing to fulfill the requirements. Previous scouting experience makes the preliminary requirements easier, but if the candidate is willing to pass the necessary tests he can make up for the lack of previous scouting as he goes along.

There are a number of promotions to be made this fall. These will take place early in October. For the present all Cubs and Scouts are to remain in the groups they were in last year. This will be necessary for your promotion to be official. Leaping Wolf Cubs going up into Scouts ought to take advantage of these few weeks to complete their Second Star and so receive their Leaping Wolf Badge which they will wear on their Scout uniform.

The Ladies Auxiliary of the Boy Scouts were very busy in their Tea Tent at the Fair on Saturday. It was a lot of hard work but they were able to bolster their funds which means they will be in a better position to help the Scout and Cub movement in the days that lie ahead. These ladies do much throughout the year to keep scouting active. They wish to take this opportunity of thanking all who in any way assisted in the tent, supplied food, etc. or made purchases there. A special thanks to Dr. and Mrs. C. Reid.

The fall meetings of the Ladies' Auxiliary of the Boy Scouts started on Monday evening. The meeting was held in St. John's Church Parlor with the president Mrs. Kidd in the chair. Future meetings will be held monthly and all ladies interested in keeping scouting and cubbing to the fore in Georgetown are invited to attend and to make their contribution toward this effort. It is not necessary to have a boy in Scouts to belong. The one requirement is your interest in boys and their development. All mothers of cubs and scouts should be members of the Auxiliary.

The Boy Scout Committee is to meet in Room 1 of St. John's Sunday School on Thursday evening at 8 p.m.
