TOWN PAVING PROGRAM TO BEGIN AT ONCE

King Paving Co. Tender Accepted by Council

Georgetown Council gave final reading to the road paving program by-law at a special meeting called for this purpose on Monday night. This puts into effect what is probably the largest road paving programme in the town's history.

At the beginning of the year, the road committee tabled a program that would cost in the neighbourhood of \$65,000. However, this was later cut almost in half, when a number of ratepayers on streets proposed to be paved signified themselves as not being in favour of having the work done. The work is being done under Local Improvement, under which one-third of the cost is borne by the ratepayer in front of whose property the new surface will be laid, and the balance of two thirds paid from the general tax rate in the form of debentures.

Streets to be paved include: Factory St. to Fair Grounds; Water St. to Mill to Harley-Kay-Marland, Normandy Blvd. entire street; Churchill Crescent entire street; McNabb St. Durham to Albert St.; Ostrander Blvd. entire street; College, Victoria to Ontario Street, College & Academy, Victoria St. to Glen Road, Victoria Crescent; John St. to Chapel East, Edith St. to Church St. to Young St.; Market St. to Church St. to Wesleyan St.; Wesleyan entire street; Main St.; widening George St. to James St.; Durham St. to Union St. to Ostrander St.

Chapel Street East and Young Street will not be paved this year because of new water mains needed along these streets.

The tender of the King Paving Co. of Oakville of \$37,649 was accepted. Other tenders included — Warren Bituminous Paving Co. Ltd., Toronto, \$39,771.25 and Beaman Construction Co. Ltd., Toronto, \$40,034.25.

Mayor Armstrong said he favored the road program, and as sixty-six and two thirds vote was necessary in council there could be only two dissenting votes as councillor Petch was absent.

Councillor McGilvray said he had been against the program from the start, in its original form. With a debenture debt of over \$700,000 he felt to have spent \$65,000 on roads in one year was out of the question. However, now that this had been whittled down to \$40,000, and seeing as how council had spent almost the entire year on the project, he would fall in line and support the by-law.

Councillor Hale had very strong convictions why he did not favour the work being done under Local Improvement and for this reason could not support the motion.

Councillors Allen and Goodlet were behind the road program 100 hundred per cent, and felt council could do nothing else than pass the by-law.

A recorded vote was taken and the by-law passed with Armstrong, MacDonald, McGilvray, Goodlet, Allen and Sargent favouring it, Marshall and Hale voting against.

County Engineer Roy Smith was present at the meeting, and said he hoped to have the contractors in town before the week-end. He had set October 18th as the deadline for the completion of the work, weather permitting.

The sewer extension by-laws were also given their final readings, and tenders will be called at once, and it is hoped by council that work can be started as soon as possible.

The by-laws call for extensions on Arletta Street, Charles Street, (Maple Avenue to Valleyview Cres.) Market St. (Valleyview Crescent to Charles St.) and Market St. (Maple Ave. to limits of survey.)

By-laws for the construction of sidewalks were held over pending a check to see what material is available. Cement at the present time is in very scarce supply. Council instructed the clerk to advertise for tenders for the work in the Oakville, Guelph and Georgetown papers.

Councillor Allen reported that the tree cutting program had been completed for this year, and had cost in the neighbourhood of \$450.

gards to sewers on No. 7 Highway from Normandy Blvd. to the town limits. He was told that the matter had been referred, as requested, to the Health Unit and that Dr. Berry's office in Toronto, was looking into the matter and taking soil tests.

K. C. Lindsay addressed council regarding water running on to his property on Emery Street due to poor ditching. Council agreed to make a survey of the street and ditch it on both sides if necessary in order to remedy the situation. Mr. Lindsay also drew council's attention to the fact that culverts on Emery Street were also filled.

Jim Martin Moves Saturday to Kettleby

Residents of Normandy Boulevard since the wartime houses were constructed, Mr. and Mrs. Jim Martin are moving on Saturday to a new home at R. R. 1, Kettleby, near Pottageville. Mr. Martin has purchased a ten acre property on the new Barrie Highway between No. 27 and the cloverleaf. He will continue to commute to his job at the A. V. Roe plant at Malton from his new home.

Mr. and Mrs. Martin have been residents of town for eleven years, coming here from Niagara Falls, and their sons Lindsay and Bobby were born here. Mr. Martin served overseas with the Canadian Army and worked at Smith & Stone before taking a position at Malton. Mr. Martin took an active interest in the work of Georgetown Recreation Commission and was a president of that organization.

Their home has been purchased by Mr. and Mrs. James Gilchrist, British immigrants who have been living on Union Street with an uncle, Mr. and Mrs. James Russell since coming to this country. On Saturday Mr. and Mrs. Robert Andrews entertained for some of the neighbours at their Normandy home at a social evening to say goodbye to the Martins. Earlier Mrs. Martin was guest at a surprise party when Mrs. Bud James entertained members of the card club at her home on Guelph Street. Mrs. Martin was presented with a table lamp as a farewell gift.

BALLINAFAD

Musical, Lantern Slides Sunday Evening Service

A sacred program and lantern slides was held in the church on Sunday evening. Mr. Gibb led in the devotionals and extended a welcome to all. Guests taking part in the program were soloist Mrs. Auburn Wright of Erin and Mr. Alfred Test of Georgetown. Duets by Miss Simons and Mrs. Valdures of Acton, Jean and Margaret Bird of Ashgrove and Marilyn and Dorothy Churcher of Hillsburgh. Two numbers by our home town Quartette and a cornet solo by Mr. Bennett Root of Hillsburgh completed the musical part of the program. Lantern slides on the story of Suma an African boy, his home life and his experiences at a mission were shown. A set of temperance slides were also shown, entitled "A Tower of Strength." One cannot have a strong healthy body unless we take good care of what we eat and drink. Alcohol in any form harms the vital organs, especially our nervous system. Miss Hillis expressed the thanks and appreciation of the WMS to all who had given so generously of their time and talents to provide a most enjoyable evening.

Miss Dorothy Warne is attending Normal School in Hamilton. Jim Kirkwood left Monday to begin his third year at Victoria College. Mr. W. Gibb leaves next week for his fourth and final year at Emmanuel.

We wish to congratulate Mrs. F. Smith on the success of her exhibits at the local fall fair.

The farmers are busy filling their silos, there being a fairly good crop of corn this year.

Service will be withdrawn next Sunday here owing to anniversary services being held at Churchhill.

Fashion Show Commentator

JOY DAVIES, radio and TV star, is producing Silver's first Fashion Show which the I.O.D.E. will present next week in St. John's Memorial Hall. Miss Davies will also be a commentator for the show, which features local models as well as several professional models.

On Thursday October 2nd, Silver's will present their first Fall Fashion Review. Two performances are planned, afternoon and evening in St. John's Memorial Hall. The review will be produced and directed by a prominent personality in this field, Miss Joy Davies.

Countess of Strathmore Chapter I.O.D.E. is sponsoring the show and all proceeds will go to this organization. The ladies will serve tea and there will be lucky prizes, as well as favours given to those attending.

Joy Davies a personable and charming young lady, has had varied experience in radio, television and fashion reviews. She was a TV personality in England and in the United States before coming to Canada to settle four years ago.

She produced fashion shows in the States which were filmed by Warner Bros. Associated Screen News and Paramount Studios. Considered a fashion authority, Miss

Davies produced shows for Kate Atken at the Canadian National Exhibition for two years. During the last Canadian International Trade Fair, she produced the Belgian Fashion Show and introduced German and Belgian fashions to Canada for the first time.

As a radio personality, Miss Davies has appeared successfully on many radio shows. When the famous British film "Red Shoes" was first shown in Toronto she was engaged to produce the fashion show for this film by J. Arthur Rank.

Miss Davies will commentate as well as produce and direct Silver's Fashion Review. The styles shown will be supplied by many of Canada's leading fashion houses. All styles shown will be from Silver's regular stock and will be available to purchase after the show.

Tickets for the Review are available at Silver's and from the members of the I.O.D.E.

CRACKS BREAST BONE POLE VAULT ACCIDENT

Georgetown High School lost a track star and member of the rag-team for this season, when Jim Timleck, Grade 11 student, was injured in an accident at the school early Monday afternoon.

Jim, who is the son of Mr. and Mrs. Jack Timleck, Normandy Boulevard, was practicing pole vaulting at noon hour, under the supervision of A. M. Baxter, a member of the teaching staff, in preparation for the four-school field meet slated for Georgetown next month.

On a practice vault, he had just reached the top, about eight feet from the ground, when the bamboo pole suddenly shattered. Jim was plummeted to earth, missing the newly dug pit, which would have cushioned his fall and fell flat on his head on the harder ground. The fall stunned him and Dr. C. V. Williams attended him, before he was taken to Peel Hospital for x-rays.

He was allowed home later the same day. X-rays reveal that he has a cracked breast bone and will be confined to his home for at least a week. The accident will affect Georgetown's chances in the meet, as Jim was conceded a winner in the pole vault since copping the senior championship at the OAC field meet in the spring.

ATTEND WEDDING OF NIECE IN TORONTO

Miss Hazel Harrison and Mr. P. B. Harrison attended the wedding in Toronto on Saturday of their niece, Mary Elizabeth McKinlay, daughter of Mr. and Mrs. J. M. McKinlay.

Miss McKinlay married John Williams in Fairlawn United Church. Rev. George Trimble officiating. A reception was held in Clarendon Hall. After a motor trip, Mr. and Mrs. Williams will live in Ottawa.

The bathometer is an instrument for measuring depth of water.

FAMOUS COACH, PINKY LEWIS TO HANDLE GEORGETOWN RAIDERS

THE WEATHER

Mr. Editor,
Sunday, Sept. 21st summer was officially over, but after the weather we had a week ago, anything can happen, regardless of the date.

Date	Max	Min	Rain
Sept. 15	72	60	
Sept. 16	67	49	Trace
Sept. 17	70	46	95
Sept. 18	67	47	98
Sept. 19	67	52	
Sept. 20	67	43	Trace
Sept. 21	61	44	Trace

Average 72.8 48.72 1.04

Hockey news is very much in the foreground this week, with an announcement by the hockey club that they have hired Pinky Lewis as the coach for this season.

One of the best known and most highly regarded coaches in O.H.A. circles, Pinky will take over the helm in an attempt to restore the winning ways of Georgetown Raiders, twice Ontario Intermediate B champions, who ended the season early last year when they were ousted by Elmira in the group playoffs.

In hockey circles, the new coach, whose home is in Hamilton, is best known as a former coach of the Aerovox Junior B team in Hamilton, and in 1950-51 for two seasons as coach of Kitchener Junior A's in Stratford. He has been a scout for the Cleveland Barons and a trainer for Hamilton Tigers football team. This summer he has been coaching the Peller's team in the Hamilton herdball league, which is now in the finals.

With the departure of Wilf Hillis for Port Arthur, a new club president was needed and recently "Tut" Harrison, long an active worker for the club, was named to the office. Other executive remain the same: Ray Whitmore, vice president; Jim Alcorn, treasurer; Jack Gunning, secretary; Bill Mathew, manager, and Art Scott, transportation chairman.

CARNEY HAS TWO TOP BACON ENTRIES

Ten entries were made in the T. Eaton Co. bacon hog special at Georgetown Fair, with James Carney winning top prize money for first and second place animals.

The contest is offered to encourage the production and marketing of hogs of desired quality, weight and finish for lean Wiltshire sides weighing 55 to 65 lbs. The Eaton company contributes \$30 of the prize money with the fair board making up the balance of \$15. Each entry consists of four hogs, which are sold on fair day to the highest bidder, then sent to a packing plant for slaughtering, where a government inspector judges the carcasses.

The other four prizewinners in the class were, in order, Harding Price, W. M. Thompson, Hornby, Horace Barnes and W. Harding, Limehouse.

DELIVERS CATTLE TO NEWFOUNDLAND

Frank Petch will be returning from Newfoundland by air this week, after delivering a shipment of Holstein cattle to Canada's tenth province.

This was the second consignment of dairy cattle which were purchased by Harry Watson from prominent herds in the district. The consignment left Brampton by rail on September 16th in charge of Mr. Petch. In July, 36 head were shipped in charge of R. Matson of Bolton.

Started Stewarttown Fencing Business

A resident of Stewarttown for 46 years, John H. Smith, died in Guelph General Hospital on Thursday. He has been in ill health for some time and was hospitalized for two weeks before his death.

Mr. Smith started a fence contracting business in Stewarttown which a few years ago he turned over to his son, Cecil. The firm does extensive business not only in the immediate district but in other parts of Ontario as well.

He was born eighty years ago near Lowville, one of twelve children of James L. Smith and Rebecca Burch. The family later moved to Hagersville, where Mr. Smith met and married Elizabeth Hawkins. They spent most of their married life in Stewarttown.

Before Stewarttown School joined the school area, Mr. Smith served several terms as a school trustee. He was a member of the Chosen Friends and of Stewarttown Orange Lodge, holding the position of treasurer at the time of his death.

Surviving are his wife and son, a brother James Smith, Midland, and a sister Mrs. Fred Gilkes, Corbetton, four grandchildren and seven great-grandchildren.

Rev. J. E. Maxwell conducted the service at the McClure Funeral Home, Georgetown, on Saturday, which was followed by interment in Greenwood Cemetery. Pallbearers were Wes and Herb Louth, Wesley and Gordon Smith, Toronto, George Gilkes and William Huffman, Jr.

TOM GOODLET ILL IN CALGARY HOSPITAL

Shortly after returning home to Calgary, Thomas Goodlet suffered a slight stroke and is at present in Belcher Military Hospital there.

Mr. Goodlet and his wife spent most of the summer here with Mr. and Mrs. James Goodlet, then visited along the way, and got to Calgary late last week.

ARTS & CRAFTS PLAN NEW CRAFT COURSES

Several courses are being planned this year by members of the Arts and Crafts of Georgetown.

At a meeting at Miradon Farm, the home of Mrs. D. R. McLaughlin on Thursday courses were outlined, including two which will be given this fall. Miss Dorothy Stone will conduct a course in Design and Mr. H. J. Newman a course in line block cutting. In March, Mr. Lloyd of Richmond Hill has been engaged to give a course in metal work.

Mrs. H. J. Newman, the first vice president conducted the meeting. The main part of the business meeting was devoted to planning the sale and exhibit in the Legion Hall on November 29th. Mrs. A. G. M. Bruyns and Miss Winnifred Watson are exhibit conveners, Mrs. R. H. Corbett will convene the tea and Mrs. Cyril Bradford is in charge of publicity and advertising.

A film, Coronation Preview, which included scenes of the reign of Queen Elizabeth and the Royal Tour of Canada was shown through the co-operation of Mr. J. L. Lambert and Mrs. L. J. Bell thanked Mr. Lambert for making the film available. Tea was served in the dining room by Mrs. R. R. Corbett, Mrs. Ern Batkin, Mrs. Ray Thompson, Miss Rowena Stull and Miss Marjory Gault. Mrs. Wesley Beatty, Acton, moved a vote of thank to the hostess and her assistants.

Frank Seddon Begins New Winnipeg Business

Frank Seddon left for Winnipeg last week where, in partnership with Mr. M. Robinson of Winnipeg, he will be a member of a firm which will be known as Automatic Vending Machines.

Mr. Seddon, who has lived in Georgetown thirty years, has been working in the Special Products Division of Smith & Stone, Ltd. for five years. He will still have some association with the company as he will be dealing in one of their products, the Coffee Bar, an automatic dispensing machine which is becoming very popular in Canada.

Mrs. Seddon and their children, Donald and Carole, both students at Georgetown High School expect to be moving to Winnipeg in the near future. Their house on Academy Road will be occupied by a relative, Mrs. Alice Potts.

WIN \$50 BOND IN SLOGAN CONTEST

Dr. and Mrs. Paul Beer, R. R. 3, won a \$50 savings bond offered as a weekly prize in a slogan contest for Canada Savings Bond selling drive.

The slogan submitted was:
To live in peace,
In a country great,
Buy Savings Bonds
Before too late.

Daylight Saving Time
WILL END IN GEORGETOWN.
THIS SUNDAY
Turn your clock back an hour at 2.00 a.m.
Sunday morning.
