FRESH FROM THE GRAIN BELT:
The largest cargo of Canadian grain ever carried across the Great Lakes by ship was unloaded from Canada's biggest lake steamer, the 678-foot John O. McKellar into Canadian Pacific Railway grain elevators at Port McNicoll recently. The vessel's arrival at the Georgian Bay port marked the beginning of large

grain shipments eastward as westward farmers harvest the biggest crop ever grown, an estimated 1,250,000,000 bushels of all types of grain. Over 20,500 tons of wheat and barley, part of this year's crop and enough to fill 410 railway box cars were unloaded from the lake ship to await transfer to eastern ports by rail.

I.O.D.E. MEMBER TELLS OF TRIP TO HOMELAND

Mrs. Sam Penrice gave fellow members of Countess of Strathmore Chapter, I.O.D.E., an interesting account of her summer visit in the Isle of Man at their meeting on Monday at the home of Mrs. Wilfrid Ford.

Mrs. Penrice is a native of the Isle, and spent three months there with her three children, Mr. Penrice joining them for a few weeks before the homeward trip in September.

Reports of recent successful projects of the Chapter included an account of last week's Fashion Show by the regent, Jean Mackenzie. A letter from the Institute for the Blind thanked them for \$200 raised in a tag day and for assistance in the Blindcraft booth at the fall fair.

Mrs. Wallace Thompson was named convener for sale of Christmas

cards and wrappings. Christmas gifts are being purchased for pupils of the adopted northern school. Delegates were asked for, to attend the provincial meeting in Kitchener later in October.

Hostesses for the evening were Mrs. James Alcorn, Mrs. Ivan Hay, Miss Helen MacDonald, Mrs. John Gunn, Mrs. Sam Mackenzie, Mrs. R. H. Jones and Mrs. Garfield McGilvray.
