

LEGION NOTES

We were very pleased to receive a letter from the provincial sports director and from provincial president Hulse, commending Branch 130 on their effort to promote youth sports. The branch has been recommended to the national executive for an 'Award of Merit,' as the Legion doing most to organize and promote sport for the children of their particular community. In part we quote "Your (branch) efforts can not be measured in dollars and cents in the moulding of the youth of the province." We understand the award has received the O.K. of the provincial president, and expect to hear more about it in the near future.

Naturally, in a case of this kind, as the figure head of the organization we receive the official 'kudos' for this, quite undeservingly. We are only sorry that we can't right here and now list all those who helped last winter for their efforts. Because it is to them that the thanks and credit should go.

Regarding the hockey at the last general meeting it was left to the executive and president to meet with the old 1951 hockey committee and see what can be done to get organized for this year. We personally have kicked this subject around with Alf Sykes and Scotty Patterson. The net results so far are to sponsor all the organized 'kid' hockey the same as last year, Peo Wee, Bantam, and Midget, plus the juvenile team (this year forced into 'B' competition) plus a brand new 'baby', namely a Junior OHA team. The one catch of course, is that of adequate help to run the teams. Certainly it can not be expected this Sykes and Patterson and Co. of last year can handle the whole shebang this year. We very well recall the many occasions last winter, when, on our way to work, we would see Alf and Marsh Timbers opening up the arena with a crowd of lads, far too many to handle. It is our own inclination that if a duty roster were posted such as has been working so successfully on a Friday night, that each morning we would be assured of enough help, with no hardship on anyone and none of this business of a few being 'stuck on the job' from November till April, each and every morning. Alf himself feels he cannot handle the whole program this year and is screaming for help and more help. Scotty, who between building his new house, looking after the Juniors and juveniles as coach, is going to be a pretty busy guy, and he tells us he isn't going to be playing Intermediate hockey this year! (That we HAVE to see to believe.) However he figures that by a little bit of switching we can put in an excellent juvenile entry, even if they have to play B this year and that they will give a good account of themselves in the Junior group. If we enter, he figures that we can turn out a good team, and make it awfully rough for all comers this year, and next season quite possibly bring home a junior championship. We have had a number of chats regarding hockey with two of our local hockey 'bigwigs' Pat Patterson and Ken McMillan. They feel that a junior entry would be an ideal venture, and Ken has given us all the information about it. If we have a team, it will be playing in a good league, including Elmira, Fergus, Elora, Woodbridge, Alliston and others. We can definitely get a Junior franchise independent of any other organization or group. So all told, we hope to see some real hockey this winter.

However, one thing we do hope. How about a few fathers dropping down occasionally on a Saturday morning to see the kids play. They take their hockey just every bit as serious as the older boys, some times more so, and the fact that the 'old man' was present would be a great boost to the lads. After all, there is nothing more discouraging and disheartening for any athlete, be he 7 or 70, than to play to an empty gallery!

A Zone church parade is being held in Acton on October 26th. It is hoped that a goodly number of members will attend. Details are on the board.

Small tables have finally been ordered for the auditorium. If they are satisfactory it is eventually hoped that the whole room can be equipped with them, doing away with the old trestles and boards, except on special occasions.

Glad to see Charlie Parton, our bingo chairman back around again.

Charlie's had a real siege of it and we hope from now on he will have a speedy recovery.

Sam Tennant tells us he's got a real treat for the boys next meeting night, in the eating line for the lunch. What is it? You'll have to come out to see, fellows.

He also reports his Friday night socials for the past few weeks as

the most successful ever, being very well attended.

Tickets for the Armistice banquet will be available shortly. To be fair to everyone, as there is of necessity only a limited number, the date they go on sale will be placed in this month's notice, and the notices all sent out together, so first come, first served. We are only

sorry that the hall will not accommodate a lot more. However, this year we have got a little idea that might help pack a few more in.

And a very important day namely Remembrance Day. Details are now being worked out and full details will be published soon. And don't forget Poppy Day comes this year on Saturday, November 8th. How about volunteering a bit of help to the convener, Mrs. Tom Grieve, fellows? She always does a good job, but she really needs a number of volunteers to help that day.

asked to make a voluntary contribution towards buying chairs for the chapel.

Mrs. Ellerby and Mrs. Max Featherstone were appointed delegates to attend the planning meeting for Halton Folk School in the near future. Congratulations were extended to Dublin W.I. for coming first in the area quilt competition sponsored by the Salada Tea Company.

GLEN WILLIAMS
Mr. and Mrs. D. T. Walker and daughter Marilyn were guests over the week-end with Mrs. Ambrose Hancock, Sr.

Ballinafad Welcomed as New County Institute

Ballinafad, newest organized branch of the Women's Institute, was welcomed at a meeting of executive and directors of Halton Women's Institutes in the Farmer's Building, Milton, last week. The ladies met to discuss their work for the coming year. Seventeen branches were represented out of a total of 21 senior clubs and four junior. Mrs. J. E. Ellerby, the district president, asked members to cooperate in the free TB x-ray clinic which will be held in December at various points in the county. Mr. Clarke of Halton Centennial Manor, outlined plans for chapel

Annual Meeting
Halton County
PROGRESSIVE-
CONSERVATIVE
ASSOCIATION
TUESDAY, OCT. 21st
8:15 P.M.
Town Hall, Milton
Everybody Welcome
