

FIRST FLIGHT: The first scheduled airlines service between Toronto and the northern Ontario and Quebec mining country around Kirkland Lake, Rouyn, Noranda, Halleybury, Val d'Or, Cobalt and New Liskeard was inaugurated when a Canadian Pacific Airlines DC3 took off from the Rouyn-Noranda airfield (bottom right) bound for the Queen City on an extension of its former Montreal-Val d'Or-Rouyn-Noranda schedule.

The new service provides the north-land with an air link to Canada's two major cities, Toronto and Montreal, with one round trip daily. CPA has been flying the Montreal leg of the flight for the past three years. The new service will also include Earlton, Ont., on its schedule when government airport construction there has been completed. Pictures show the first flight from Rouyn airfield to Toronto (lower

McNeal (left) waving from the cockpit before take-off, and Toronto Alderman William Allen (right), representing Mayor Allan Lamport, shakes hands with (left) Rouyn's mayor, Maurice Caouette and Noranda mayor Fred-eric Hebert, during a civic dinner given by the twin cities of Rouyn and Noranda to celebrate the occasion.

SCHOOL ENROLMENT CLIMBING 563 REGISTERED THIS YEAR

At the old "still-unnamed" public school, this year's enrolment is 359. The sharp upward trend in school population is shown in the following table which shows total combined enrolment in the two schools, excluding the township students:
