**REVOLUTIONARY  
NEW SNOW-ICE TIRE**

the **SUBURBANITE**  
by **GOODYEAR**

Here's an entirely new idea in tires for winter driving!

Because of its radical new design, the Suburbanite rides through snow, doesn't "saw in." And the Suburbanite's 1856 gripping edges give amazing forward or backward traction on ice.

See us right away for Suburbanites to make sure of safe, trouble-free driving this winter!

For sure winter starts let us install a Goodyear "Factory-Fresh" Battery.

1856 gripping edges  
Amazingly Quiet-Rolling!  
Tread ribs cut side-slip to a minimum!  
Best forward and reverse traction!
