

# HIGH TALES

PUBLISHED BY STUDENTS OF GEORGETOWN HIGH SCHOOL

VOL. 1, NO. 3

GEORGETOWN, ONTARIO WEDNESDAY, NOVEMBER 5, 1952

## High Tales Recognized On Neighbourly News

So far this paper has published two editions and we have already been recognized by Don Fairbairn of the CBC on his "Neighbourly News" broadcast on Sunday morning. This is the best advertising we could get and we hope that this will give us the green light to forge ahead with a successful paper.

Mr. Fairbairn in his weekly broadcast picks out items of interest from many weekly papers and "High Tales" feels honoured to be considered as one of these items. We believe the last time the Georgetown Herald was mentioned was when the mushroom pushed up through the sidewalk and now we feel that it is up to the students of Georgetown High School, to make "High Tales" really newsworthy.

## EDITORIAL

A good deal has been written and said lately about the bad grammar of high school students. We as students admit that our grammar is not up to scratch but the reason for this is that we get into the habit of saying such words as "ain't" because we like to see the look of horror on our teachers' faces. It starts out just as a smart little twist to our grammar and then it becomes a habit. After five years this is thoroughly in our minds this "ain't" and "I seen" talk and we never think much about it. But after we leave high school our grammar catches up with us. When we are talking to our prospective employers and say "ain't" or "I seen" this automatically puts us in a bad class. After all, it's the first impression that counts and this speech makes a bad first impression.

## Cadet News and Views

Attention all cadets! Press your uniforms, polish your brass and shine your shoes as all cadets are requested to parade on November 11th to the Cenotaph for the annual Remembrance Day service. Be at the armoures to form up. Further details can be obtained from Mr. Prouse and all cadets who have not yet received uniforms do so before this date.

Cadets wishing to take target practice at the armoures on Tuesday afternoons or evenings or on Thursday afternoons please sign your name on the list at school as rifle shooting will soon begin.

The senior cadets have been receiving a series of six lectures on radio telephone procedure. The lectures are not finished yet, but when they are, the radio sets will be used. The junior cadets have periods on map reading, boat and rifle drill, and the hand grenade.

## FREE ROXY PASSES FOR RUGBY TEAM

The victorious Georgetown rugby team was rewarded for their hard work by being given free passes to the Roxy Theatre after the game against Milton, Monday, October 27th. The passes were donated to the whole team by Mr. Leslie, a very popular man with the rugby team now.

## CHEERLEADERS LEAD THE WHOLE SCHOOL

This year the cheerleaders have added a new twist. All students were given printed yells this year and last week an early morning practice was held.

At the game against Milton our cheerleaders did their stuff. The new yells went over well and most of the school followed the cheerleaders. There have been a good many practices and the leaders are now in trim for future games. We are proud of our cheerleaders and the part they play in the exciting football games.

## STUDENTS ATTEND THE RED FEATHER GAMES

At 5:30 Friday evening, October 24, a bus loaded with 43 football fans from GHS left for the Red Feather Football Tournament that evening at Exhibition Park in Toronto. The games started about 7:00 o'clock and there was a great crowd to see them. Over 500 cheerleaders added a great deal of color to the spectacular event. Good football was played and a good time was had by all. The bus arrived in Georgetown about midnight that evening and everyone agreed that it was worth the \$1.25 to see the tournament.

## NINE B REPORT

(You've all heard Al Jolson say: "You ain't heard nothin' yet." Well, this report is the nothin' he was referring to.)

Last Monday morning Math period was skipped and our class joined the rest of the school on the field to practice "team yells" for the game with Milton.

The football field has been marked off in five and ten yard lines. It was a long slow job and the helpers deserve some thanks.

Miss Luke has been passing around some French sale catalogues and magazines. You know, those catalogues are more interesting when you can't read them.

## GEORGETOWN HAS A MODERN SCHOOL

The new public school in Georgetown is really something. Its modern windows and rooms really are smart. Many students at the Georgetown High School have been through it and they say it is the ideal school. There is a large fenced-in playing field which is something we do not have at the high school.

## Four Touchdowns As County Town Defeated

The battle which the whole school has been awaiting, has taken place. The annual football game with Milton and by virtue of 4 touchdowns and 2 converts, Georgetown beat Milton 22-16.

Georgetown's scoring was done by "Digger" McClure and Gerry Scott. McClure romped around the end of the line, made an excellent run and crossed the line. He then converted it himself making it 6-0. Later McClure took a plunge through the line and racked up another 5 points. Barber recovered a fumble on the snap and got the single point making it 12-0.

After the kick Georgetown worked the ball to the 40 yd. line. Here George McClure took the ball on an extension to the left as he passed the ball to Scott. Rol Ellis burst through, knocked down the pass and galloped 40 yards for a touchdown. Scott later was given the ball and he raced round the end and across the line for a touchdown which went unconverted. Georgetown worked the ball to Milton's 5 or 10 yd line and on the very same play, which Ellis knocked down, Digger faked the lateral, and the Milton mob ran after Scott while George trotted on across untouched. Roberts of Milton took an end run and scored for Milton in the last quarter and it was converted by Kearns, who thinks nothing of using his elbows on our men. Cordette, who was previously hurt took a plunge and went through for another 5 points, making the score 22-16 where it stayed for the remaining minutes.

Two Milton players were hurt quite a bit and the rest badly bruised.

A certain quarterback on Milton's high and mighty team was heard to say that "We had mercy on your men." That's a poor excuse for losing, I'd say.

The Georgetown squad was divided into two teams: the offensive team (the line) Freestone, Greig, Dickenson, (halves) McClure and Scott (quarterback) captain Paul Barber. The defensive team (the line) Anderson, Ford, Sienko, (the backs) Timleck, Ritchie and Hardman.

Georgetown is still undefeated and needs only to win 2 more games to win the cup. We have beaten Acton 11-10 and Milton 22-16. They play Acton this Thursday in town and Milton next Monday in Milton.

## INCREASE IN CARS NOTED THIS YEAR

In the near future GHS is going to need a larger parking lot. There has been a great increase in the car population at the high school. This is due to the large upper school this year. There are no Cadillacs as yet but we are hoping for one at GHS.

Question: What is the longest river in the world?  
Answer: The Gulf Stream which is by far the longest. The water is a different colour than the sea water and it flows in a valley made by the sea water.

## ASHGROVE

## Ashgrove Church Marks Anniversary on Sunday

Beautiful sunshine, mild weather and large crowds greeted the anniversary services on Sunday. Lovely white mums and fall flowers graced the front of the church. The anthem by the choir "The Lord is my Light" and the solo "Count Your Blessings" by Barbara Cunningham were included in the morning worship. Mr. George Leck's subject "Love Unlimited" left some splendid thoughts. He quoted the verse from the 15th chapter of St. John verse 13: "Greater love hath no man than this that he lay down his life for his friends." Great heroes have given their all, for a friend is the highest we like to think of. In jails our prisoners feel no one loves them. The job for a Christian man or woman is to overcome evil with good. Are we today holding a grudge against anyone? This is the time for this love. If you at long last have this love in your hearts you are indeed the perfect Christian. At the evening service the choir sang the anthem "Sing Unto the Lord," and a double trio of ladies sang "Dear Spirit, Lead Me." Mr. Leck's subject was taken from the 24th chapter of Joshua "Choose Ye This Day." One has to make choices. Adam in the garden of Eden was tempted by the Serpent, Abraham chose to go to the far-off land, Jonah chose to disobey God's will and was punished for his choice. Every hour of every day we are faced with choices. Whatever we do or are we have to make a choice. Joshua had to decide and his answer was: "As for me and my house we will serve the Lord." It is impossible to escape making a choice. We can't choose and sit back and expect life to go on. His way is our way of life. Let us make our choice. His choice.

Mr. and Mrs. Hartley Anderson and children Peter and Virginia of Kirkland Lake were weekend visitors with her parents, Mr. and Mrs. Arthur Ruddell.

Mr. and Mrs. C. B. Dick enjoyed a few days visit with relatives last week at Amherstburg.

Allan Brownbridge entertained some of his little school friends to a Halloween party at his home on Friday night. From all reports the children had a grand time. The evening ended with hot dogs and coffee.

## FARM NEWS

### HALTON BREEDERS GET GOOD PRICES AT MAPLE

The second annual consignment sale of the Maple Artificial Unit was held at the Hay Sales Arena on Tuesday afternoon of last week. Despite the U.S. embargo and the consequent surplus of dairy cattle in this country, excellent prices were realized. The average price received was \$517 again \$493 a year ago. This is quite a contrast to the All Canadian Sale held the day previously, where the average price was \$390 below that of a year ago. It should be borne in mind, however, that the cattle consigned to the Maple sale were a high class lot of cattle, and real credit to the Maple Unit and those responsible for selecting them. Among local Holstein breeders who made consignments were the following:

Orville Watson, a 4 year old cow at \$700, Frank G. Stark, a 4 year old cow at \$675, A. T. Woodley, 2 year old heifer with calf at foot, \$660, Dr. Paul Beer, 2 yr old heifer at \$540, Milton Bird, a senior yearling heifer at \$360, Ira Cowan, 2 yr old heifer with heifer calf at foot \$555, Victor Lawrence 3 yr old heifer at \$600, Walter Royle, a 3 yr old heifer at \$500, W. W. Thompson, 2 year old heifer at \$550.

These prices, under present conditions, should be fairly good evidence that the bulls in the Maple Unit are really paying off.

Our broad land is 4,543 miles from St. John's, Newfoundland, to British Columbia's Prince Rupert.

**REV. EARLA CURRIE IS WMS SPEAKER**

The thank-offering meeting of the WMS groups was held Sunday evening. The opening devotional was taken by the Mission Band. This part was concluded by a chorus from band members. Readings on Christian Stewardship and Temperance were given by Mrs. F. J. Shortill and Mrs. F. Smith. The guest speaker was the Rev. Earla Currie of Orton, who gave a most inspiring address on "Thanksgiving." Circle members Janice Baker and Marie Kerr took part with a piano duet while Joyce Farmer sang a solo. Mrs. Thomas Gibson spoke a word of appreciation to all, especially Rev. Currie.

Moors, Roy and Vic Swindlehurst, Sam Snow, Richard Shortill, Angus McEichern left Friday for a week's deer hunting in Northern Ontario.

Mr. Arnold McEnery has returned home from Toronto hospital where he has undergone treatment on his legs but will be confined to his home for several weeks.

Mrs. Vannatter of Georgetown spent the week-end with the Kirkwoods.

When cork was scarce, fishermen on the Great Lakes used to use the thick outer bark of the bass of old balsam poplars as floats for their nets.
