**Communism, Christianity
Compared in Sermon**

One of the rich experiences of college life is the associations we have with men of other countries and environments. This year, there are students in our college from Holland, Germany, India and Korea. Most of them have been very close to Communism and they are filled with the urgency of the times. They are very conscious of the seriousness of the threat as Communism in all aspects led by a religious zeal. Followers may be ignorant and have a very low standard of living, but they have a deep spirited conviction that they are right. They honestly believe they are redeeming the world from the slavery of capitalism.

How are we going to fight it? By laws or wars? No! These will never defeat it. I believe there is only one way. We must have more Active Christianity. In Paul's letter to Timothy, Paul tells him to "Watch them in all things." In another letter he says "Christ in you is the hope of Glory."

So today Christianity faces Communism! How are we to rediscover that deep earnestness of Paul and other Christians? For only a stronger religion will defeat Communism. Can you say your religious experience is strong enough to bear persecution, famine, suffering?

Christian witness must be borne out of a true Christian spirit. Paul had a deep religious before conversion but it was not Christianity. It was only when he knew and could say "Christ loved me and gave Himself for me" was he able to face the adversary with confidence and courage.

We can not lead others if we do not know where we are or where we are going. We must have fire within ourselves before we can kindle inspiration in anyone else. Let us seek to attain it by opening the door of our hearts to Christ.

Many times we have seen where unstable fanaticism can be destructive and defeat the cause. Many of the sects have cast aside the deeper truths of the gospel and are drifting crazily — guided only by their own feeble and selfish ends. We must be anchored to the great truths of Christianity, we must know wherein we believe.

Another way we are to discover a deep earnestness with our religion is out of the sense of crisis of our times. Scientists today know that they have not got the answer. Oh, yes, they know the answer to much of nature and they have

BOWLING NEWS

**MacCormack's Bowlers
Are Still Climbing**

Acc Bailey
All teams changed position in this week's bowling. Silver's made a 5-2 victory over McClure's to put themselves in sole possession of first place. MacCormack's coming up fast from last year's cellar position put themselves in second place by white washing Maple Leaf Dairy 7-0. The league standing is now Silver 28; MacCormack 26; McClure 25 and Maple Leaf Dairy 19. Nip Shipway was the all star bowler for the night, rolling 812 (294, 287, 231). The remainder of the bowling for A section was none too good, but here are the best of the scores: Bill Anderson 704; D. Wilson 670; T. Wylie 650; B. Hall 274.

**Poppy Day Receipts
Record Total \$428**

A record total of \$428.60 is reported by Mrs. Thomas Grieve, secretary treasurer of the Poppy Fund, as a result of tag day and private contributions last week.

The Poppy Fund is a privately administered fund available to help any ex-serviceman and his family. Locally it is supervised by Branch 120, Canadian Legion, but use of the funds is not restricted to Legion members. Of necessity, aid given must remain anonymous, but it is heart-warming to hear of instances where the fund has been able to help ex-servicemen who are in need. All money is used for local purposes.

Contributions are acknowledged from: Harley-Kay-Marsland, Ltd.; Miss H. A. Staunton; Local Council of Women; Provincial Paper, Ltd.; Beaumont Knitting Mills; Robert Simpson Co.; North Halton High School Board; Bank of Commerce; Verdun Rebekah Lodge; T. Eaton Co.; Smith & Stone Ltd.; Meadowglen Growers; IODE; Royal Bank; Branch 120, Canadian Legion; Ladies Auxiliary, Canadian Legion; Imperial Section, Canadian Legion; Brewers Warehouse; True Blues; Oddfellows; Firemen, Esquimesse Council; L. E. Fleck; Town Council and all merchants.

A donation of \$38.85 from the public schools was particularly noteworthy. Previously the school board had made a contribution, but this year, pupils were asked for a free-will offering, with this result.

A. Bailey 267 and C. Brandford 251. Silver's were high team rolling 3270.

Lawn Bowlers Keep First

Being on the losing end of a 4-3 split between Legion No. 1, the Lawn Bowlers still managed to hang onto first place. Provincial by taking a 3-2 count over Misfits squeezed themselves into second place. The league standing is now Legion Bowlers 30, Provincials 25, Misfits 24 and Legion No. 1 have 20. All star bowler for the night was F. Anderson rolling 606 (193, 311, 192). Runners-up were B. Chaplin 677 A. Norrie 656; Bob Anderson 641; J. Saunders 229; M. Lorusso 251; W. Young 222; and W. Bell 221. High team scoring for the night was done by Provincial 3213.

Grouping Remains Unchanged

Lead place team Kay's received only two points from 3rd place team Legion No. 2. In the battle between Lorne Scots and Imperials it ended up a 5-2 split in favour of Lorne Scots. The point scoring is now Kay 31; Lorne Scots 27; Legion No. 2 have 25 while the Imperials have 15. The all-star bowler for C-section was W. Korzack rolling 677 (269, 254, 144). Runners up were: F. Carter 630; Brandford (Kay's) 627; B. Muir 618. (Bill has moved back to C group from A group.) C. Engleby 251; L. Cross 235; and D. Wright with 225. High team scoring for the night was done by the Lorne Scots, 3057.
