SQUARE DANCE SETS ENTERTAIN AT RALLY

Junior and senior square dance sets of Halton Junior Farmers which competed at the Royal Winter Fair entertained at the yearly rally of farm forums in Brookville Hall on November 24th.

The dancers did exceptionally well at the fair, the juniors taking fourth prize in competition with 15 other sets, and the seniors placing eighth, competing with 42 sets. Mr. and Mrs. Andy Frank supplied the music and Howson Ruddell was the caller.

Members from ten of the fifteen county forums attended the rally. Guests included Mrs. Alex Sim of Merton, wife of Professor Sim who was the first provincial forum secretary, and Mr. Simmons UNESCO representative who is making a study of Canadian rural life in Halton.

Stanley Robinson, Nassagaweya, who is county president, presided. Archie Service, president of the county federation of agriculture, brought greetings to the forums. A folk school report by Mrs. R. Cooney proved interesting and informative.

The Limestone forum in a skit depicted a meeting improperly conducted with euchre, checkers and cards very much the attraction of the evening rather than the discussion. Ligny forum showed the other side of the picture, with greater emphasis on the reading of the Guide, followed by discussion and proper business procedure.

H. S. Heatherington, county federation secretary, spoke of the county-wide TB x-ray survey in December and also mentioned the leadership course which Mrs. Sim will conduct in Milton this month.

Entertainment included vocal solos by Muriel Appledorn of Stone School forum, vocal numbers by Milton Male Quartette and mouth organ and guitar numbers by Mr.

I need Thy presence every passing hour:

What but Thy grace can foil the tempter's power?
Who like Thyself my guide and stay can be?
Through cloud and sunshine, Lord, abide with me.

Locker of No. 7, Nassagaweya. Members of No. 7 served lunch and Stanley Turner on behalf of the county committee thanked those contributing to the program.

NO MENTAL TELEPATHY

A minister, paying his usual visit to a mental hospital, noticed one patient writing briskly. He asked,

"Oh, writing a letter, eh?" The patient answered, "Yes," and went on writing. "To whom are you writing?" the minister inquired. "To myself," replied the patient. "Oh, how very interesting," said the visitor. "What are you saying?" "How would I know?" snapped the patient. "I don't get my mail until tomorrow."

Farmers Club Members Have Annual Banquet

Ninety members of the families belonging to Terra Cotta Farmers Club sat down to a sumptuous banquet at Snelgrove Hall on Friday evening.

Wilfrid Leslie acting as toastmaster called on Campbell Sinclair to propose a toast to the club. This was responded to by Herbert Taylor a charter member who gave an interesting history of the club originally organized at the beginning of the first Great War as a branch of the United Farmers of Ontario.

A toast to the ladies was proposed by T. L. Leslie, oldest member now living of the original organization. Mrs. George H. Leslie responded.

James McKane, Jr. thanked the ladies for their contributions, after which Mrs. Peter Dick said a few words.

Euchre was played by the adults while the children entertained themselves at the crokinole boards. Winners at cards were Mrs. George H. Leslie, tied with Mrs. H. S. Leslie, and James McKane, Jr. Among the children the prizes went to Carolyn McKane, William Hunter and Douglas McDonald. Two travelling prizes were won by Mrs. John Lyons and James Doane.

LIMEHOUSE

NEW ENGLISH COUPLE BUILD HOME HERE

Mr. and Mrs. Brian McCusworth have moved into their new house near the church. Her nephew, Ian Wallace, recently arrived from Cheltenham, England, is living with them and is working at the A. V. Roe Company, Malton, where Mr. McCusworth is also employed. Before their house was built, the McCusworths, who are also from Cheltenham, England, were living in one of the cabins at Penson's Service Station at Silvercreek.

Mr. Howard Roughley of Edmonton, Alberta, is visiting his brother, Mr. Jack Roughley since the Grey Cup game which they attended together on Saturday.

Mr. Alex Wright was home from Toronto recently. The Roughleys visited relatives at London on Sunday.

The W.I. held their annual bazaar and euchre at the hall last week. Many useful and lovely articles were sold at the well-filled tables. Afternoon tea was served. Winners at euchre in the afternoon were Mrs. A. J. Smethurst and Mrs. Wm. J. McDonald.

In the evening winners were Mrs. H. Norton and A. W. Benton and seconds went to Mrs. Albert Brooks and T. H. Price.

Mrs. Ted Brown won a knitting bag and Mrs. Vyse held the winning ticket on a Christmas cake donated by Mrs. Ellerby. Lunch brought the evening to an end.

Messrs. L. McMillan, F. McInven, George Musselle and A. W. Benton were representatives of the north of Halton area who attended a district assembly meeting at New Toronto on Thursday.

I enjoy meeting people...

"I'm retired now and one of the big kicks I get out of life is meeting people. There are plenty of timely topics these days and it is interesting to hear new opinions and ideas. I make many acquaintances who help to pass the time most enjoyably while travelling about by bus—and that is the really friendly way to travel."
