#### Many Generous Gifts To Children's Aid

At the Christmas Season the Children's Aid Society of the County of Halton received many generous donations of gifts, clothing, money and other articles.

These donations were used to make the festive season happier for families not quite so fortunate as most of us in this prosperous county. A number of well-packed hampers of food were distributed along with the toys and clothing where it was felt they would be most needed.

If the good people who made all this possible could witness the joy of the children and hear the words of appreciation expressed by their parents, they would indeed feel that their contribution was well worthwhile. To all the individuals and organizations who helped to make this possible, the Society extends sincere thanks.
