

LIMEHOUSE

COOKIES STILL GOOD EIGHT YEARS LATER

Be sure gifts packed in ditty bags for seamen will keep for years. During last week Mrs. Ellerby received a thank you, especially for cookies and candies from Able Seaman D. C. Russell of HMCS Athabaskan which recently returned to our west coast. In answer to an appeal by the Navy League Mrs. Ellerby packed the ditty bag during the summer of 1944. The sailor received it Christmas 1952.

and John Wagstaffe were among those attending the Ontario Whole Milk Producers convention in Toronto last week.

Prize winners at the Hall Board hard times party last week were Mrs. C. Vary and Joe Scott with congratulations going to Mrs. Sutton and S. Wright. Best Hard Time costume prizes went to Mrs. S. Kirkpatrick and Erwin Lewis. In spite of bad roads there was a good crowd and Doris Hulls Orchestra was in attendance.

MR. MURPHY'S MOTHER DIES IN ENGLAND

Mother of James Murphy, Georgetown, Mrs. Dennis Murphy died on January 4th at Leigh, Lancashire, England. Mrs. Murphy, the former Elizabeth Ann Street, is also survived by five other sons, and a daughter.

SILVER-WOOD

UNITED NATIONS MAN WILL BE SPEAKER

Silver-Wood Women's Institute has planned a joint meeting with Balmainafad and Limehouse Institutes next month when a speaker from the United Nations Association in Canada is to speak on the forthcoming National and International Day. Mrs. Spow is convener for the meeting.

Silver-Wood's first meeting this year was last Thursday at the home of Mrs. Williamson. President Mrs. E. L. Miller was in the chair and roll call was answered by telling of New Year's resolutions. Mrs. R. R. Corbett reported a quote for Greece had been delivered to Mrs. Ellerby who is in charge of this work in which all Halton institutes are sharing. Another project, a layette for the Children's Aid will be started.

There are many newcomers in the district and when Silver-Wood members were canvassing for the TB Clinic an invitation was given them to join the institute. Mrs. George Henderson gave a clever paper on current events, looking backward in 1952 and forward in 1953. The motto "What our flag stands for" was given by Miss Isabelle Moore. The convener, Mrs. Norton, spoke of various publications printed by the W.I. FWIO and ACWW and a paper was read by Mrs. Corbett on "Wasday Around the World."

Hostesses for the social hour were Mrs. Norton and Mrs. Appleyard.

A very successful Christmas concert was given by the pupils of the Stone School, under the direction of their teacher, Miss Marjory Shaw, and the music teacher, Mr. Crawford Douglas. Never was there a bigger crowd in that building. Friends, neighbors and relatives of the children attending the school all enjoyed the entertainment. Santa Claus appeared and distributed gifts, oranges and candies to all the children and every small visitor. George Burt was chairman for the evening; refreshments were served by the ladies of the Farm Forum, convener being Mrs. W. H. Norton.

Mr. and Mrs. Russell Miller spent Christmas in Mount Forest. Visitors with Mr. and Mrs. E. Miller during the holidays were Mary Gillies, Bill and Ann Campbell of Toronto.

Mr. and Mrs. Malcolm Given from Delisle, Sask. stayed for several weeks with Mr. and Mrs. J. Snow. Mr. H. J. Lynn of Rochester, N.Y. was the guest of Mr. and Mrs. Horace Bell during the holidays.

Mrs. George Henderson, Sr. is in Guelph keeping house for her daughter's children, as Mrs. N. J. Thomas is in Guelph hospital. Miss Betty Grove of Toronto was the guest of Mr. and Mrs. Ern Batkin for a week of the holidays. Mr. and Mrs. D. Williamson had New Year's visitors from Port Credit and Oakville.

NORVAL

MRS. ROYAL TALKS ON CITIZEN EDUCATION

Education for Citizenship, a paper given by Mrs. Lockhart Royal, was a feature of the Norval Women's Institute meeting on Thursday at the home of Mrs. Graydon Chester. Mrs. E. Burke, president, conducted the meeting, with roll call answered by "How to be a good neighbour."

In her talk, Mrs. Royal stressed that citizenship education begins at home, is carried on through the schools, by the companions, our choices and in the church. A proper combination of these elements provides the well-balanced Canadian citizen.

Secretary Mrs. L. May read a letter of thanks from Halton Children's Aid for Christmas gifts which had been contributed by members. Mrs. Clarke of Halton Centennial Manor acknowledged a ten dollar donation to the birthday fund at that institution. The ladies have completed quilts for Korea and are sending a bundle of used clothing to a family in Greece.

EXAMS COMING UP AT HIGH SCHOOL

Leona Conn
The school, now that it is rested up, is not as lively as you would expect it to be. In fact, it has a morbid and dreary atmosphere around it. There is a simple explanation of it all. Exams! They will begin on January 22nd for the upper school, which is 3rd form and up. Then the students will begin the dreaded ordeal of trying to answer questions which leave us in awe, as we begin to wonder what it is all about. Exam time is the one time when our memories seem to fail us completely.

Last week I read an article written by the editor of the High Tales and I must agree with him on the matter. This was the letter inquiring about a gym for the high school. I think PT is as much a subject in school as English and Mathematics. In fact, maybe even more important. Unless a person is physically fit, I'm sure he is not capable of concentrating on school work. Our P.T.'s for 180 pupils consist of taking spars. A few students at a time are allowed out for a game of ping pong. Now we have two badminton racks and one bird, but there is not much room for even a chance to bat the bird back and forth. With so much school spirit, and so many pupils interested in sports, I hope something is done about this situation soon.

Don Ford has left our school to begin his studies in Toronto at the Chicago Diesel School. I'd like to wish him lots of luck. I'm sure we will all miss him.
