**ST. ALBAN'S GUILD
RE-ELECTS OFFICERS**

All officers were re-elected, with Mrs. Gordon Hiltz added to the executive as assistant treasurer at the annual meeting of St. Alban's Guild on Wednesday.

The president, Mrs. H. F. Beaumont, mentioned several improvements which might be made in the parish hall and members agreed that as this is St. Alban's fiftieth anniversary, it would be a good time to start improvements which will al-

low for more church activities to take place with greater ease. Archdeacon W. G. O. Thompson, in complimenting the Guild on a successful year's work, spoke his agreement with the plan.

Reports were given by the treasurer, secretary and sick convener. The archdeacon presided at the election of officers, who are:

Mrs. H. F. Beaumont, president; Mrs. W. Riggs, vice president; Mrs. Arthur Beaumont, 2nd vice president; Mrs. Thomas Haines, secretary; Mrs. William Korzack, treasurer; Mrs. Gordon Hiltz, assistant treasurer; Mrs. Reg Williams, sick convener and pianist; Mrs. Jack Lucas, sewing convener; Mrs. J. Hooper and Mrs. Williams, social conveners.

Mr. Harvey died in Toronto on Saturday. Rev. Fr. V. J. Morgan officiated at a graveside ceremony, following requiem high mass in Our Lady of Lourdes Church, Toronto, on Tuesday morning.

**RAIDERETTES BEAT
BRAMPTON AGAIN**

Shirley Forbes

Once again we can say that Georgetown at least has one good hockey team. In the return game with Georgetown, Brampton girls were once more defeated and once more convinced that the girls are harder to beat than they realize.

Brampton scored the first goal of the game just a few minutes after the puck was dropped which the coach nor yours truly never saw.

Georgetown then came back at them in the form of June (Prunes) Thompson, and tied the score.

The second period was well fought but failed to bring about a tie-breaker.

In the third period Neretta (Spike) Zillo scored a well earned goal by a deft twist of the wrist and lots of muscle behind it.

No. 9 of Brampton was given a penalty for thrashing Prunes, who was later heard saying "after the game:

Catherine Sorenson: "Hey, No. 9 said you were jabbing her in the ribs."

Prunes replied to the astonishment of her fellow-sportsmen "I was!"

About 5 seconds after No. 9 got her penalty No. 18 was given a penalty for holding the puck. At any rate this excellent game of hockey ended with the score at 2-1 in favour of the Raiderettes.

Credit must certainly go to Joyce Herrington, for playing a wonderful game, and who had a lot of tough breaks at scoring. We need not mention Jean Hancock for everyone knows that she is the major person who helps give Georgetown their Raiderette victories.

Mrs. Frank Whitnee, who underwent an operation in Guelph General Hospital last week, expects to be returning home this week-end.
