UNITED CHURCH HAS ANNUAL MEETING

The annual meeting of the United Church congregation was held Friday evening with Mr. Gibb as chairman and Rev. John M. Smith of Georgetown being present in an advisory capacity. The meeting opened with prayer after which the minutes were read and approved. Mr. Gibb read the report for the session stating the total membership for January 1st, 1952 was 101 — this had been reduced by one death and eight by Certificate, leaving the membership roll at 92. Of these 68 were resident and 24 non-resident, adherents, 40. There were 4 baptisms, 1 marriage and 2 burials. Mr. S. H. Lindsay and Mr. R. Warne were re-elected as elders and Garnet Sinclair's name was added to the list of managers. Treasurer James Kirkwood and the auditors Norman Sinclair and Thomas Gibson were also re-elected. Miss Lillian Shortill was appointed organist with Mrs. E. McEnery as assistant.

Flower committee: Mrs. J. McEnery, Mrs. J. Kirkwood and Mrs. L. Marshall. The treasurer's report showed a substantial balance and reports from all departments were most satisfactory. Rev. John M. Smith spoke a few words of commendation to the congregation and minister on their successful year.

The WMS met at Mrs. J. Kirkwood's home for the first meeting of the new year on Wednesday afternoon. The call to worship and worship service was centred around the theme: "Worship the Lord in the Beauty of Holiness." Let prayer be the key of the day and the bolt of the night. Prayers were given by each member for our fellow-Christians in Africa and closed with an African hymn of praise. The roll call was answered with a Scripture verse on holiness and the paying of fees. Programs for the year were given out and discussed. It was planned to bring donations for the sale to the February meeting. After the business period the topic was given by Mrs. Warne assisted by other members. The chapters on "Health and Healing" told the story of medical missions in Africa and stressed the need for more doctors and nurses. Patients have to be dealt with quickly as on the assembly lines in our factories — those needing immediate attention are given priority. There is about one doctor to one hundred thousand patients. Miss Young gave an instructive Bible Quiz. The meeting closed with a period of prayer. Lunch was served by the hostess and a social time enjoyed.
