FARM NEWS

Outstanding Record of Peer Purebred Herd

In the daily, weekly, and farm press there are often reports of outstanding records of production made by dairy cattle of various breeds. Rere are some outstanding records made here in Halton, in the herd of G. Leslie Peer & Son, Milton R. R. 2, Six of the records are by daughters of their former herd sire, Moorebell Ormsby Fobes.

Hillandale Jane Fobes (V.G.) was first for milk and second for fat in the 1952 Honour List. As a Junlor 4 year old in 365 days she produced 24,369 lbs. of milk and 902 lbs. B.F. . Her mother Hillandale Janette Fobes also classified Very Good as a 5 year old in 365 days produced 26,713 lbs, milk and 993 lbs. butterfat; and as a 6 year old, 24,059 lbs. milk and 891 lbs.

A sister of Jane, Hillandale Marilyn Fobes, was second for milk in the 1951 Honour List as a Senior 3 year old in 365 days with 21,175 lbs. milk and 743 lbs. butterfat. Ansister, Hillandale Ormsby Fobes, as a Junior 4 year old in 305 days was second for milk in 1952 Honour List with 18,051 lbs. of milk and 616 lbs. Butterfat. Still two other sisters finished with the following outstanding records:

Senior 3 yr. old in 365 days -18,425 lbs. milk, and 698 lbs. terfat; Senior 3 year old in days 16,856 lbs. milk and 600 lbs.

Two other outstanding records in many flying hours on test, the same herd by daughters of Man-O-War R. A. Major are as fol-

Hillandale Fayne R.A., as a senior 3 year old on 2x in 365 days produced 20,102 lbs. milk and 633 lbs. butterfat; Hillandale Janette R.A., as a Junior 3 year old on 2x in 305 days produced 14.938 lbs. milk, with

approximately .560 lbs. butterfat. These are outstanding records in any herd. When one takes into consideration that the Hillandale herd as comparatively speaking, a small herd it is a real achievement.

Mr. Milliere has been radio and television technician with Mc-Clure's Home Furnishings for seven years. He will have his place of business in part of the Hunter's Inn building on the 9th Line-Maple

Limehouse-born, he has been a Georgetown resident most of hislife. Since his parents moved to Waterloo where his father is CNR station agent, he has been living with his sister and her husband, Mr. and Mrs. Spence McKinnon. The McKinnons have just - moved to Dresden and Bill is now staying with an uncle and aunt, Mr. and

Mrs. Norman Brown, Main St. N. He has been given the Addison-Norge franchise and will be handling Addison television and radios and Norge appliances, as well as doing service work on all makes of machines.

Mr. Milliere graduated in February, 1942, from Radio College of Canada and was appointed to No. 1 Air Observer School at Malton under the British Commonwealth Aid Training Plan. He was there as an aircraft radio engineer until the school closed in 1945. He did maintenance work on transmitter, receiver and direction finder ground station equipment and on complete -aircraft radio equipment, putting in

Before starting with McClure's he spent a year with Radio · Valve Company, Toronto, as a lab technician. He has continued his studies, attending television training school classes with Admiral Television in 1951 and 1952, as well as a course at Ryerson Institute in 1951.
