Yugoslavia Treats Children Against Mycosis

Mycois, a highly contagious fungus infection of the scalp, reached near-epidemic proportions in certain areas under wartime conditions. In Yugoslavia, the World Health Organization and the United Nations International Children's Emergency Fund joined with the Government to strike at this disease which, unchecked, results in permanent loss of the hair. Trained technicians, working with UNICEF-supplied X-ray equipment to remove fungus-infected hair, are effecting rapid cures. Pictured above, hospital workers remove remaining hairs from children's heads after zinc-oxide treatment.

High Schoolers Play 1st Basketball Game

Leona Conn

Thursday in the armouries at 4 p.m. the Georgetown high school boys played a game of basketball against Milton high school boys' team. Milton won 48 to 24. However, I would like to say our boys' team did very well for only four weeks of practice. Coach Don Hutchinson should be proud of them.

On Thursday night the school held their party. All went off with a bang and majority opinion was that it was a success. Free popcorn was given to the students. This was crunched on while they watched three short movies. One film was about different sports. The remaining two were Abbott & Costello comedies.

Monday morning the students received the pictures which were taken of each student separately last January. These can be purchased by the students or anyone else if desired.

Another big Sunday evening band concert at the Roxy Theatre. Guest artists will assist the Lorne Scots Band.

SENDS NEWS ITEM FROM BUFFALO PAPER

All the way from Buffalo, where Mrs. Edgar Eyles (the former Pearl Lillico of Georgetown) noticed it in the Evening News, comes this item about a district resident.

The mystery of an auto parked illegally on Main St. in front of Ellicott Square, bearing 1952 license plates and containing about 25 pounds of coins with a total value of \$96.14, was dispelled today.

Lieut. Frank R. Maguire, Traffic Division commander, who impounded the car about 4.20 o'clock Monday afternoon, said that it was placed there by James E. Robertson, head of the Erin (Ont.) Motor Sales. Erin is a village in Wellington County about 40 miles north of Hamilton.

The car, Lieut. Maguire said, was registered to the late Howard C. Atkins, 688 Riley St. It was left at the Erin Motor Sales for repairs after an accident by Mr. Atkins' son, who was in military service. Mr. Robertson drove the car here at the request of the executors of Mr. Atkins' estate, the lieutenant said, and parked the car on Main St. while he obtained a cup of coffee.

The money in the car, \$96.14 of which was in a sock in an overcoat pocket and \$10 of which was in rolls
