

Greig-Lusty Wedding At Knox Church

On Saturday, March 14th at two o'clock in Knox Presbyterian Church, Rev. Alex J. Calder officiated at the marriage of Betty June Lusty, daughter of Mr. and Mrs. Harvey Lusty, and George Arthur Greig, son of Mr. and Mrs. John Greig, Huttonville.

The bride wore a pale blue suit with navy accessories and a corsage of pink roses. Mrs. Betty Howlett, sister of the groom, was matron of honour, and wore a navy blue suit with pale blue accessories and a corsage of sweetheart roses. Mr. Howard Howlett was groomsmen.

A reception was held at the bride's home for the immediate families. The bride's mother wore navy rayon sheer and a corsage of red roses. The groom's mother wore grey taffeta and a corsage of pink roses. The couple travelled to Buffalo, N.Y. for a short honeymoon. They will reside in Georgetown.

Plan Bowling Competition at British Empire Games

At the spring meeting of the Ontario Lawn Bowling Association in Toronto, an announcement was made which is important to every individual bowler in every lawn bowling club in Ontario.

At the British Empire Games, which will be held in Victoria, B.C. in July, 1954, competitions in lawn bowling will be part of the programme. Canada is to be represented by a team of seven men, who will compete in singles, doubles and rinks competition. Provincial division champions will play off at Winnipeg about two weeks before the Empire Games so as to allow time for practice in Victoria.

Representing Ontario will be those who win the PLBA Championships this year. This will give every club, no matter how small, a chance to qualify for the big event. The Ontario champions will play off against Quebec for the right to go to Winnipeg where they will meet the champions of the other Canadian divisions.

The second stage of the 1953 Championships will be played at Brampton on July 25th. Before that date District No. 9 will have found, by elimination, their district champions, and before that, each club will have held their own championship competitions to determine who will represent them.

A resolution was passed at the meeting to raise a fund during the coming season which will be turned over by the PLBA to the Crippled Children's Fund of the Canadian Sportswriters and Sportscasters Association. It was suggested that every club might hold a Crippled Children's Tournament and perhaps have "Spiders" before regular tournaments to raise money for this very worthy cause. Each bowling club will receive information on this subject direct from the Secretary of the PLBA.

With the Lawn Bowling season only a few months away executives of the various clubs are getting busy with plans. District club presidents will be holding their spring meeting very soon to arrange district tournament dates.

Comfort in the Cab

and dollars in the bank

Chevrolet Trucks are first because they're finest—feature for feature—in performance, economy and just plain value for your money. Take a look at the cab for example. It's "Driver-Conditioned", seats 3 big men with ease. Full width seat cushions, easy access doors and placing all controls in easy handling range provide unusual driver comfort and convenience. Impressive? Sure it is. But the cab is just one of many Chevrolet "Advance-Design" features that add up to one BIG advantage — Chevrolet trucks are the world's leading money makers on any hauling job. What more proof could you ask than the fact that truck operators, recognizing this, buy more Chevrolet trucks than any other make. Why not see your Chevrolet dealer today?

Chevrolet Driver-Conditioned Cabs

FLEXI-MOUNTING — Husky rubber cushions cut effects of chassis vibration and frame weave to increase truck life, add extra driver comfort under the toughest conditions.

SEAT SPRINGS — Seats have Double-Deck springs, cushiony, latex-treated hair and cotton topper pad, hard-wearing leatherette cover that looks better, lasts longer.

VENTIPANES — Draft-free or forced ventilation just by adjusting ventilapanes to desired angle.

BATTLESHIP CONSTRUCTION — For driver safety, this cab is a single, all-welded, double-walled steel unit that gives maximum protection for all occupants.

ALLIGATOR JAW COUNTER-BALANCED HOOD — Easy access to the engine and good visibility come through the alligator jaw hood that stays open easily without a prop.

ADJUSTABLE SEAT — Fingertip control permits easy adjustment. Seat moves full 3½" forward, back tilts, seat rises for proper eye-level vision and shoulder support.
