GLEN WILLIAMS

BEETON OUSTS GLEN IN THIRD GAME

letton Arena on Wednesday, Glen Williams made an unsuccessful bid to win their series with Beeton and lost the third and deciding game

For two periods the game was very close and the second period ended with the score tied 2-all. Midway through the third, the roof fell in on the Glen and Beeton scored four quick goals. The Glen kept driving and did everything but put the puck in the net, but Lady Luck wasn't with them and the game ended 6-2.

Beeton seemed the more experienced team and deserved the win.

They are now playing another round with Bolton.

Glen Williams had a good team and had wonderful support from the fans during the season. Already there is a great deal of enthusiasm for next year's hockey.
