Legion Notes

The regular monthly meeting of the Branch was held last Thursday evening, March 26th, in the Legion auditorium.

After the opening ceremonies, the minutes of the last general meeting and executive meetings were read and confirmed. The various committee conveners gave their monthly reports and several applications for membership were accepted.

The president then said he saw a new face in the gathering, and asked the Legion's honorary president Mr. LeRoy Dale, Q.C., to say a few words. Mr. Dale expressed his appreciation at being asked to head the organization, and said that he had always had the greatest admiration and respect for the Legion, and realized the important work carried on by it, in aiding ex-servicemen. He said that while he himself, through physical disabilities, had been unable to serve his country in time of war, yet anything he could do for any Legion member, certainly would be done, not only for the group, but for the individual members. Mr. Dale said that he was not just repeating words, but was quite sincere in offering to be of service. Once again he expressed his thanks to the Branch, and said that he hoped to become better acquainted with the members from now on. His remarks were met with a great deal of applause. The president, in reply, thanked Mr. Dale for his few words, and said that he was delighted to see him at the meeting, and that he

hoped that it would be the first of many. He said that the town records spoke for themselves, and Mr. Dale had served his country as well as any one present, with his outstanding record in heading the many Victory Bond drives, as well as heading the Red Cross in town for so many years, and other wartime organizations. It was particularly appropriate that Mr. Dale should head the Legion branch as this is the twenty fifth anniversary and Mr. Dale, in his capacity as mayor, had taken a great interest in the formation of the branch some twenty five years ago.

Under general business several matters were discussed but the meeting, on the whole, was a decidedly quiet one, with little business. It was decided to cancel the April meeting to allow the plans for the banquet and social evening to go forward. A donation of \$50 was given to the Boy Scouts to help defray expenses to the Jamboree at Ottawa. Mention was made of the pre cooling system being installed, and members were asked to stick around to have their pictures taken after the meeting. The meeting closed with singing God Save the Queen at 8.45.

Tickets for the banquet, social and dance marking our Silver anniversary go on sale on Monday, April 6th, so all members are urged to get their early Charlie Day will handle some of the sales, and the steward will sell them at the Legion Hall. Tickets may NOT be "spoken for" before they go on sale as this is unfair to the rest of the membership.

That should be quite a "rogue's gallery" taken after the meeting on Thursday. All shapes, sizes and kinds of pictures were taken. We hope that a good percentage of them turn out, and that we will be able to reproduce at least half of them, although it is difficult to get pictures good enough for reproduction for a book.

Thanks for all the kind words regarding the swimming pool idea. We are amazed that so many people were interested enough to call us or stop us on the street about it. Possibly, if there is that much public interest, the next step would be arranging for a public meeting to set up a planning committee to get a survey of the whole picture. Any comments?

Complete Africa Study At Mission Meeting

The WMS met at the home of Mrs. Ferguson for their March meeting. Mrs. Warne led in the worship service, the theme being "The Community of Grace." The Christian life is a life of fellowship and it requires the Church as a means of Grace. The individual Christian finds fellowship with Christ through the church. The roll-call was answered with a verse on the same thought. A reading on Christian Stewardship was given by Mrs. Ferguson and Mrs. Hillis conducted a Bible Quiz. The last chapter of the study book was in charge of Miss Hillis. The need for strengthening the work in Angola was stressed, also the need for opening new work in the copper belt of Northern Rhodesia. Prayers were given that freedom, justice and brotherhood might flourish among the peoples of Africa. Plans were made for the thanksgiving on April the 19th with Rev. Jean Donaldson of Toronto as speaker.

Members of the WMS motored to Bronte on Tuesday to attend the Halton Presbyterial.

Mrs. J. H. Allan spent last week in Toronto with Mr. and Mrs. Russell Taylor who are the proud parents of a second baby daughter.

Mrs. E. Peters of Georgetown spent the week-end with Mrs. J. Kirkwood.

Mrs. Bert McMenemy and Shirley Kirkwood, Mr. and Mrs. G. Sinclair of Milton, Norman Felker of Glen Williams attended the funeral of their aunt, the late Mrs. Henry Best of Fordwich on Saturday.

Back in 1910 it took 35 man-hours to produce an acre of corn yielding 26 bushels. Today, with modern machinery, the same acre, producing 38 bushels, requires only 17 man hours.
