

40th Anniversary Marked By the Ellery Brownridge's

Relatives and friends numbering over 225 attended a social evening in the Junior Farmers Building in Brampton on March 16th to mark the 40th wedding anniversary of Mr. and Mrs. Ellery Brownridge. After their marriage in 1913, they were dairy farmers on the Brownridge homestead in Esqueving until 1920 when Mr. Brownridge purchased a farm in Peel near Brampton and moved to Brampton. Mr. Brownridge is known all over the country for his skill in training and judging show horses. He showed his first horse when he was nine years old and at different times trained and drove eight race horses. Later he concentrated on prize Clydesdale heavy draft horses. Until last year, he was president for ten years of the heavy

horse section at Brampton Fair. Mr. and Mrs. Brownridge have two sons and a daughter. Mrs. Mary Bailey lives at Mount Dennis, Joe is at Mount Pleasant and John is farming on the homestead. There are five grandchildren, all girls. During the social evening a surprise visitor was the minister who married them, Mr. Thompson of Barrie. Another member of the wedding party was Mr. Brownridge's brother, Wilbert, who was best man. In the centre of the head table was an exact replica of the wedding cake of forty years ago.

—At the end of 1951 Canada's 2,100,000 passenger automobiles were being driven 12,000,000,000 miles each year.

Baseball Club Plans For This Season

Baseball enthusiasts will gather Friday evening to make plans for the coming season. Officials of Georgetown Baseball Club have planned a meeting in the upstairs room at the McGibbon House and ask all who are interested in having Georgetown compete this year to attend.

Alliston Beats Combines In Lacrosse on Ice

Some two hundred fans attended a "lacrosse on ice" game in Georgetown Arena a week ago Saturday when Glen-Georgetown Combines came second best against Alliston, who won the game 17-14.

Lacrosse rules were modified to take away any chance of players being injured in crashing to the ice. Alliston tallied three goals in the last three minutes to win the game. With this district taking an active interest in plans for a revival of lacrosse this summer, it is hoped a good team will be lined up which will give a good account of themselves during the season.
