MANSLAUGHTER CASE REMANDED TILL FALL

Charges ranging from motor manslaughter to causing a disturbance made a full agenda in Magistrate's court Friday and led to an all-day session before Magistrate T. F. Moorehead.

A Georgetown man was committed for trial at the fall sittings on the manslaughter charge. Charges of dangerous driving and leaving the scene of an accident were adjourned sine die.

Involved in a collision on Queen Street a week ago, another man was remanded till next Friday, charged with driving while impaired. One hundred dollars and costs was assessed an Erin resident on a similar charge.

Five men were convicted on charges under the Liquor Control Act, three were nicked for speeding and two men were fined for causing a disturbance.

NOVAIL NOTES

TRACTOR, CAR COLLIDE BUT NO ONE INJURED

Julian Reed

Bruce Van Vliet was rounding the turn at the 5th Line corner on his father's tractor, drawing a wagon load of gravel when a car sped over the knoll towards him. The driver applied the brakes and Bruce froze at the wheel, but the attempts of both were useless, as the car careened into the rear of the wagon. When the dust settled it was found that the back of the car was severely damaged. Fortunately neither driver was injured.

Talks on Jury Duty

Sybil Bennett, QC, spoke at a spring tea on Thursday in the United Church, under auspices of the church W.A. Her subject "Jury Duty as it Applies to Women" was of great interest to the ladies present. Mrs. Jack May sang two solos. Mrs. John Doane was in charge of the tea which was well attended. Decorations were in keeping with the spring season.

Some Errors

It has been brought to our attention that a few errors made their way into last week's column. Our only excuse is that, "not being a lady, we don't attend Institute meetings and must get our news second-hand. We'll try a more reliable source next time."

Bowling Party

The United Church YPU had a bowling party in Brampton Monday evening. Afterwards they came back to the church for a welcome cup of cocoa and any other things they found when the pantry was raided.

Scouts See Slides

The Scout slide show went off with a bang, with all four groups represented. Guides, Cubs, and Brownies sang songs, but the scouts weren't asked to do anything. How lucky can you get!

Commissioner John Snow showed the slides which took everyone to the Jamboree in Jamaica.

The Guides are undertaking a civic clean-up as a Coronation tribute to the Queen. Everyone can help out in this good work.

The local Association met on Monday night and after some deliberation we were able to squeeze ten dollars out of them to be used to buy food at the Camporee. The Scout Fair was also discussed.

Visitor

Mrs. Gowland of Milton spent the Easter week with Mr. and Mrs. M. Guy Wilson.

Softball Teams, Attention!

Your correspondent has received word that the annual meeting of the Girls and Boys Softball League will be held in the Court House at Milton, Friday, April 24th, at 8.30 p.m. All those interested in entering Norval teams in the league are asked to attend.

TALENT SHOW WINNERS

Roberta Hawes, young daughter of Mr. and Mrs. Ralph Hawes and Joe Wagner, accordionist, were winners at the Roxy Talent Show on Thursday.

Told building inspector George Adams to take all measures necessary to see that the building by-law is enforced in connection with a house that a Toronto lady is erecting on John Street.

Councillors had all been contacted by property owners in the district, who do not think the building in its present form conforms with the by-law.

A recorded vote was taken on a motion by Goodlet and Norton to have the building permit withdrawn until house plans are available for council, but only the two councillors voted for it. The mayor was particularly critical of the motion, which he said was out of order, and which if passed would put council in the position of receiving many more. He said, too, that council does not want to penalize anyone who might build a house in instalments, and the by-law was drawn with this in mind. However, he expects the building inspector to enforce the law.

Granted permission for a house to be built on a lot on King Street with 41 foot frontage, owned by Jim Brandford.

Will engage the firm of Dineen, Philips and Roberts as consulting engineers to make a survey of water storage, possible new sources of supply, sale of pumps in the Municipal Building and length of time involved in getting repair parts for the pumping station.

The firm will also be consulted on a proposed 8" main on John St. from Victoria to the 9th Line, estimated to cost \$5900, and a 6" main on Albert St. from Union to Murdoch, which would cost \$1200.

Will provide water service for houses planned by W. F. Badley on an extension of Water Street.

Replaced a number of by-laws for borrowing of money for road paving with a new set. The first by-laws, drawn last year, were inaccurate and would not be accepted by the Municipal Board.

Were of the opinion that a suggestion by J. P. Coombes, hired by the county as advisor for the 1953 equalization by-law, could not be conformed with in the time period involved.

Mr. Coombe has suggested that blanket obsolescence be dropped and that each municipality in the county review their properties before September. Council felt that it is impossible for the assessor to do so in this short time.

BRIGADE CALLED TO GLEN GARAGE FIRE

Tea testing is an art which requires years of practice. A demonstration of it fascinates guests who attended the recent building of the new Salada Tea Company Building in Montreal. J. I. GILMORE, The Salada Tea Taster, has practised his trade for 36 years. The taster determines each day what proportion of the teas received from various gardens in Ceylon and India should be used to make up a particular blend. Next to Mr. Gilmore is S. FAYAZ ALUM, Commercial Attache from Pakistan. In the insert at left, is shown one of the most valuable pieces in the famed Salada collection of oriental art displayed in the new building. RECEIVE TROPHIES AT BOWLING BANQUET

Winner of the inter-county bowling league, a group of Georgetown men received their Molson trophies at a dinner at the Legion Hall on Thursday.

H. S. Nixon, Molson representative, presented the trophies and the Legion ladies catered for a turkey dinner. For entertainment, the Molson company showed comedy and sports films, then cards were played.

The evening was ended with a singsong led by Joe Lorusso.

High average in the league, which comprised teams from Georgetown, Streetsville, Milton, Oakville, Acton and Brampton, was held by F. Rogers, Brampton, 232, closely followed by Jim Carney, Georgetown, with 230.

Georgetown and Milton ended the season with a first place tie and Georgetown was declared the winner because of a higher pinfall.

ENGAGEMENTS

Mr. and Mrs. Victor Hazell announce the engagement of their daughter Doreen Blanche to Arthur Henry Wood, son of Mr. and Mrs. Arthur Wood of Inglewood. The marriage will take place on Saturday, May the ninth in St. Paul's Anglican Church, Norval, at three o'clock.

LICATA HEADS LOCAL COMMITTEE

Dick Licata will head a committee to plan for Georgetown's Coronation celebration on Tuesday, June 2nd.

Tentative plans were made at a meeting in the council chambers on Thursday to which Mayor Armstrong had invited representatives of all men's and ladies' organizations in town.

The meeting appointed a committee to serve with Mr. Licata, which includes: Mrs. Alex Taylor and Harold Henry, vice presidents; Garfield McGillvray, treasurer; and Mrs. Trevor Williams, secretary.

Suggestions for a fitting form of celebration were fully discussed.

The day will begin with a religious service possibly in the arena, which has been turned over to the Ministerial Association to arrange. School children will assemble in their classrooms in the early afternoon to receive the medals being supplied by the Dominion government to commemorate the day and will join a parade to the park.

The Home and School Association will be asked to arrange the parade, with the Chamber of Commerce in charge of procuring decorated floats. The Unions have offered to prepare the arena for the service and the Lions Club will take charge of a sports day at the park.

Various ladies' groups will have charge of refreshment booths, and the firemen will aid in erecting these booths. There is some possibility that the executive might arrange some small memento for each child in addition to the Coronation medals.

An evening garden party will be arranged by the Legion. Suggested too, was a display in the armory of historical material and things having a bearing on royalty and the Coronation.

Vandals Damage Park Building

Officials of Esqueping Agricultural Society are concerned about vandalism at the park.

During recent weeks a large sheet of metal was torn from the building which was erected to house livestock on fair day and as a storage shed during the year, and entry has been made to the building.

The damage adds to the cost of the building which is still not completely paid for, and is a discouragement to society officials who have done a lot of good work in creating a building which is helpful to the fair and an asset to Georgetown's Park.

The police have been alerted to keep an eye on the building and parents are warned that further vandalism will lead to charges being laid against the juveniles responsible for the damage.

Restaurant Business Sold to Stan Wade

Sale of the Corner Cupboard Restaurant will be completed when the new owner, Stan Wade, assumes the management next Monday.

Mr. and Mrs. Wade, not long out from England, have purchased the business from Edward Pop Holmes who came here from Newmarket a year ago. After buying the business from Jim Coleman, he changed the name from Rose Bar Restaurant to the Corner Cupboard, under which he had previously operated businesses in other towns.

Mr. and Mrs. Holmes will be moving to Cayuga where they have purchased a tourist business, with boats and cabins for rent. Their niece, Mrs. Jim Baysarovich, and her husband, who have been associated with them in the business are planning to move to British Columbia.
