**Moorehead Retiring
As Peel Magistrate**

T. H. Moorehead, 68, police court magistrate in Brampton, Cooksville and Orangeville for the past seven years, announced this week that he would retire from office at the end of this month. "Enormous growth of court work in recent years, particularly in the south of the county, is becoming so burdensome that I have decided it would be unwise to try and continue too much longer," he explained. "It is my hope that I will be able to carry on as judge in the juvenile court which was established in Brampton in July of last year. It offers a tremendous challenge in the field of helping young people."

Mr. Moorehead was born at Milton, on Oct. 8, 1884. He started with the T. Eaton Co. in Toronto at the age of 19. When leaving the company four years later, he had been a ladies' wear buyer in Montreal and New York. He owned and operated candy stores for a time in Brampton, Georgetown, Acton, Milton and Hamilton.

Following this he became owner of a chain of Ontario motion picture theatres. His start in this line began with the erection of the Capitol theatre, now the Odeon, in Brampton in 1922.

No announcement is forthcoming as to appointment of his successor as magistrate at the Brampton and Cooksville courts.

**"Sally Ann" Brings
Hot Dogs to Hanover**

Another bit of Canada has been injected into the lives of Canadian soldiers in Germany with the arrival of two Canadian Salvation Army workers.

They are Captain and Mrs. Arthur Hopkinson who are officially attached to the British Red Shield Club in Hanover, and who, although operating under command of the British Salvation Army, have as their special responsibility soldiers of the 27th Canadian Infantry Brigade in Germany.

Within a week of their arrival they got things humming — along Canadian lines — and introduced hot-dogs and hamburgers to the Red Shield canteen's menu. Captain Hopkinson and his wife invaded many Hanover meat markets in search of weiners similar to the Canadian 'dog.'

After personally tasting dozens of samples they finally settled on one that almost parallels the North American weiner. Next came the problem of the buns, and in this field Mrs. Hopkinson was driven almost to distraction.

"German cooks," accounted Mrs. Hopkinson, "just don't understand about hot-dogs, and I'm beginning to wonder if they ever will. They never make the buns a uniform length; one day they are too short the next day too long."

But the Red Shield hot-dogs are proving popular with the Canadian

soldiers, and so is the easy cordiality of the Hopkinsons. They have hopes of injecting still more Canadian atmosphere into the Waterloo Platz canteen, but there are problems that must be solved first — as it was with the relish. To a soldier a hot dog without relish isn't a hot dog. But relish is something that can't be bought in Germany so the Hopkinsons had to manufacture their own by crushing pickles and adding spices.

Captain Hopkinson was born in Saskatoon, and prior to his overseas posting, he and his wife were stationed in Winnipeg. Before that they did family welfare and youth work in Toronto and Hamilton.

**George Clemons Judges
Holsteins in Peru**

George M. Clemons, secretary of the Holstein Friesian association of Canada, Brantford, Ont. has left by air for Peru where he will be the judge at the fourth National Cattle Exhibition to be held at Lima from May 17th to 24th. This is the first time a Canadian has placed the awards at this show.

The entry will consist largely of Holsteins, most of them of Dutch origin with a smaller number of North American descent. About 200 head of Holsteins are expected. Mr. Clemons will also judge smaller numbers of Guernseys, Ayrshires and milking Shorthorns.

Peru is the second South American country in which Mr. Clemons will have judged the National Show, he having three times previously officiated at the National Dairy Exhibition of Chile, held at Santiago.

This is a big year for Canadian judges in South America, with J. M. Fraser, Streetsville, leaving soon to judge at Rosario and J. J. E. McCague, Alliston scheduled to judge at Palermo later in the summer. These are the two largest shows in Argentina with Palermo in particular enjoying the reputation of staging one of the greatest annual displays of livestock in the world.

**New Canadian Champion
Three-Year-Old Producer**

A New Canadian Championship mark for milk production has been established in the senior-three-year old class of the 305 day division on three times-a-day milking by Bonnie Haven Abbekerk Darkness, owned by S. B. Roman, King, Ont. This Holstein cow produced 21,561 lbs. milk and 779 lbs. fat. She was continued on test for the full year, making a total of 23,950 lbs milk containing 875 lbs. fat, average test 3.65 per cent butterfat.

"Bonnie" had a previous record of performance test as a two-year-old, producing on twice-a-day milking 19,077 lbs. milk containing 675 lbs fat.

Replaced as champion milk producer in the class was O. R. G. Flinderne Rag Apple Bella who made her record of 20,729 lbs. milk in the herd of the Ontario Reformatory at Guelph just five years ago. "Bonnie's" breeder was Chas. Hunt and Son, Dorchester, Ont.

A girl met an old flame, and decided to high hat him. "Sorry," she murmured when the hostess introduced him to her, "I did not get your name." "I know you didn't," replied the old flame, "but that is not your fault. You tried hard enough."

**Mrs. Fred Marsden
Dies at Brampton**

After a short illness Nellie Jane Marsden passed away at her home in Brampton on Sunday, May 10th, in her 79th year. She was born in London, England, and came to Canada as a young girl. In 1939 she married Frederick Marsden and they had seven children; Jack of Toronto, George of Brampton, Hubert of Toronto, Nellie (Mrs. W. G. Browne) of London, May at home, Margaret (Mrs. G. Cavanagh) of London, and Edith Mrs. H. A. Sheppard of Galt. She is survived by her husband and all her children. The funeral service was conducted by Rev. D. Davidson at McKillop's Funeral Parlors, Wednesday at 2 p.m. with interment at Brampton Cemetery. The pallbearers were Messrs. Fred Butter, Jack Butter, George Ching, Sr., Charles Laws, Donald Marsden and Ross Crawford.

FARM NEWS

**HALTON JUNIORS PLAN
LOWVILLE FIELD DAY**

On Monday evening, May 11th, in the Farmers' Bldg., Milton, plans were finalized for the Halton Junior Farmers' Sports Day, which will be held at Lowville Park in June with the following events: Boys Softball, Girls Softball, Tug of War, Cross Country Run.

The committee made up of the presidents of the five local Junior Farmer Clubs and Junior Institutes was directed by John Currie who acted as chairman in the absence of county president Harold Tyrrell. Anne McLaughlin, county secretary recorded the minutes. Palermo, Milton, Norval, Acton and Brookville entered a boys' ball team. Palermo, Milton, and Acton entered a girls ball team.

There did not appear to be much interest in the 3 mile cross country run but a course will be laid out for those wishing to enter and post entries will be accepted.

A tug of war contest was arranged for both the boys and the girls with 4 boys teams and 4 girls teams entered.

Girls' basketball teams from Norval, Palermo and Milton and Brookville Junior Institutes will compete at the Milton Town Hall at 8 p.m. on May 26th. The boys rifle shooting contest will be held in the Georgetown Armouries on Wednesday, June 3rd, at 8.30 p.m.

All five clubs decided to participate in this event and it was decided that the clubs would provide their own rifle ammunition and targets.

Following the inter-club events, county teams will be selected to represent Halton at the district field day in Guelph on June 20th. It is hoped that strong competition at the local field day will provide contending teams in the regional competition.

FARM NEWS

**Tractor Sizes Explained
By Department Engineer**

Members of the Acton Junior Farmer Machinery Club met for their regular monthly meeting Monday evening May 11th at Lorne Garner's Garage, Acton.

Fyfe Somerville, chairman of the club, called the meeting to order and conducted the business with the assistance of secretary Calvin Sprowl.

Mr. Bert Moggach, Engineering Fieldman, Ontario Department of Agriculture was introduced by the chairman. Speaking on the topic, "Farm Power" Mr. Moggach led a discussion on the practicability of the various sizes of tractor. A movie on proper tractor care depicted many small adjustments and services which will save repair expenses.
