INAUGURAL MEETING GEORGETOWN SOCCER CLUB

At a very well attended meeting it was decided to press ahead with the formation of a soccer team which will be called the "Georgetown Wolves." The team at the outset will play a number of friendly matches in the park, the first to be on Sunday June 14th against Brampton.

Jack Wareing, who was elected president, said that the enthusiasm and support in Georgetown for a soccer team was very encouraging and he looked forward to the time when the newly formed Georgetown soccer club would be able to run Junior teams as well and so contribute to the sporting instincts of youth. Noticeable among the support, was the number of middle aged and elderly people who were coming forward with offers to help.

Anyways, Sunday, June 14th sees the first match and from that match the "Wolves" are confident their complete success will begin.
