

Whitney, Hardman Top Cadets for Second Year

Cadet Major William Whitney and Sgt. Major Wilfred Hardman were named top cadets in the Georgetown high school corps when they were presented with awards by Lt.-Col. John R. Barber following the inspection at the park last Tuesday. Both won similar awards last year.

Major Whitney received the Col. Barber trophy, a handsome cup which also comprises an individual miniature for the winner. Sgt. Major Hardman also received a cup for placing second, as did third place cadet Bruce Denham. Awards and honorable mention were given to Cadet Terry Harley, in fourth place, and Sgt. Barry Timleck and Cadet William Farmer, who tied for fifth place. Major Neretta Zilio won the shield as best girl cadet with Captain Elleen Oates in second place.

The Georgetown corps, second in Ontario last year, put on a sparkling display which they hope will win them first place post this year. After the inspection in the armory, the march past was held in front of the grandstand. Col. Barber took the salute, and with him on the reviewing stand were Lt. Middleton, reviewing officer from Central Command, Oakville, and Major Paul Barber of the local Lorne Scots Regiment. The Lorne Scots Band played for the march past.

The cadet inspection, planned by chief instructor Alan Prouse, ended with a "bang" literally this year, with a mock battle under the direction of Major Barber. Mortars and gunfire were simulated with various types of fireworks, and the use of flares added colour to the attack which took place in the twilight.

Another highlight was a precision squad, which executed a long and intricate routine to whistle commands of Sgt. Alan Teeter, who trained them. Grenade throwing was directed by Cadet Lt. Paul Barber, Jr., in a demonstration by Lt. Don Seddon for loading and firing, and Lt. Gerald Scott for stripping and assembling, and 303 rifle demonstration by Sgt. Major Hardman. Capt Paul Prust was in charge of a map-using demonstration and Lt. Richard Sienko of signals. The girls, smartly dressed in navy blue jumpers, white shoes and cadet caps, contributed a number of pyramids to the inspection.

Colonel Barber, in a brief speech in the armory afterwards, said it was always a pleasure to review the corps where he received his early military training, and complimented officers and cadets on their appearance and performance. Lt. Middleton echoed his remarks, particularly praising the work of those in charge which showed many hours of detailed preparation.

Mayor Jack Armstrong announced a half holiday for students the next morning, as the parade was dismissed. A short dance followed the inspection.

Ruth Evans is Again Music Festival Head

Re-elected president of Halton Music Festival Association is Miss Ruth Evans of Georgetown. All officers were re-elected at the annual meeting with the exception of Mrs. C. Ford, vice president for Trafalgar, who resigned and was replaced by Mrs. M. Beatty.

Four scholarships were awarded after the festival in Milton, two of them going to Georgetown High School students, Glenna Doherty and Paul Prust. Other winners were Doana McMillan, Acton, who is a niece of Mrs. J. L. Barber, Georgetown, and Terry Wolfe, Burlington.

Reviewing festival operations this year, it was reported that total number of contestants this year was up 325 over last year. Township festivals were held in Esqueping Community Hall, Stewarttown, Lowville United Church and Trafalgar Memorial Hall, with the large festival as usual in Knox Presbyterian Church, Milton. Eight hundred urban public school children, 610 rural and 70 high school students completed. Dr. G. Roy Fenwick was adjudicator, and the three scholarship winners from last year were guest soloists during the festival.

Some changes were made in this

year's program. Because of the numbers competing in the township festivals, three winners were chosen for Milton, rather than two. Duet classes for boys were dropped and a boys' two-part choir replaced them. There were new classes for public school boys with changed voices in both rural and urban schools.

Test pieces were chosen by George Smale of Brantford. Thirty-three sets of medals were awarded. A trophy committee reviewed all cups and shields during the winter and secured a new cup, donated by Hornby Women's Institute and two new shields donated by the Canadian Bank of Commerce, Georgetown, and the Bank of Montreal, Oakville. Frank Holton of Brantford, was adjudicator at the three township festivals.

FARM NEWS

Hog Cholera Outbreak Cancels Farmers Week

C. D. Graham, deputy minister of Agriculture for Ontario, when addressing agricultural representatives in conference at the Ontario Agricultural College on Thursday of last week, stated, "Owing to the outbreak of hog cholera in eight counties in central and western Ontario, Farmers' Week at the OAC will not be held this year — nor will any breed field days be held at that institution." In clarification, Mr. Graham pointed out that recently a new herd of imported Large English Whites had been established at that institution, and further, that plans and buildings had been completed for the carrying on of important nutritional studies and consequently in the interest of Ontario Agriculture, every precaution would be taken to prevent an outbreak of hog cholera in the college herd.

This means that the Halton and Peel Holstein, Jersey and Guernsey Field Day previously announced for this week, is cancelled.

Roll out the carpet!

UP NORTH, moose have the habit of using snowplowed railway lines as their personal promenades. OK until they come to a bridge; then Mr. Moose is likely to get caught between the ties, break his legs and otherwise gum things up. So the railways lay what they call "moose carpets" of aluminum between the rails and over the ties at spots where His Lordship may need safe footing.

It just goes to show how aluminum's combination of lightness, strength and resistance to weather comes in handy in the most unlikely places. . . . And to explain why, in 1954, our aluminum capacity will be boosted to over a billion pounds a year. Aluminum Company of Canada, Ltd. (Alcan).

Librarian Attends Hamilton Conference

Rosemary Jordan, local librarian, attended the 51st annual conference of the Ontario Library Association on May 25th and 26th, which was held at McMaster University, Hamilton.

Besides interesting business session, attendants at the conference were guests of the city of Hamilton for tea at the Tamahaac Club and viewed the renovated main building of Hamilton Public Library. Pierre Berton, managing editor of Maclean's Magazine spoke on "The Functions of a Canadian Magazine" at Monday's main banquet.
