Wives from Jugoslavia. Join Joe and Charlie Rice

Reunited with their wives, whom they had not seen since coming to Canada 25 years ago, are Joe Rice, local quarryman and his cousin, Charlie Rice of Milton district.

The two cousins emigrated from Jugoslavia, intending to save enough money to establish homes in this country. Depression days, then the war, interfered with plans, and restrictions imposed by the Communist regime after the war, added further difficulties.

The two ladies crossed on the S.S. Scythia and Mr. and Mrs. Joe Rice are at present living with the Charlie Rices.
