

# What Council Did

ON MONDAY, JUNE 8th

Decided, after adjourning the meeting to look at the John-McNab Street corner, to spend up to \$500 dumping stone, which the town is obtaining for the cost of hauling, to widen the dangerous corner.

Accepted a sketch drawn up by Sam Mackenzie as the design for a building in the park which will provide public toilets. The Chamber of Commerce and mill unions have undertaken to do as much work as possible on the building, which will be erected just behind the pylon.

Granted the True Blues permission to hold a tag day on July 4th.

Cr. Goodlet criticized the Municipal Board for holding up reading of a by-law for a debenture issue sold to a bond firm last fall, but which cannot be issued until the final approval is received. Clerk J. D. Kelly said that he had been assured the by-law would be in his hands by the end of the week.

Considerable time was spent in discussing a sewer extension which will be made in a laneway between J. J. Gibbens and Mrs. A. N. Cole's properties on the highway. Mayor Armstrong found some support when he said that it did not seem right for Mrs. Cole to be taxed for a sewer line which had been requested by and would only benefit one property. Others felt council could not deal with this, and it was decided to leave it for a court of revision to decide, if protest is made.

Filed a letter from Mr. and Mrs. John Cordano requesting council to pass an anti-noise by-law.

Mayor Armstrong opposed any more road paving this year, when Cr. Allen asked if the paving of Young Street might be considered. The mayor believes that paving should wait a year or two, and then a major project be undertaken such as last year. Mr. Allen reported new sidewalk laying in progress on Water, Young and Market Streets, and at Cr. Goodlet's suggestion an estimate will be obtained for new sidewalk on Victoria Ave. Some action will also be taken on grading Arletta Street which is higher than the properties abutting it.

Burlington is the only town which is dissatisfied with this year's equalized assessment, Reeve MacDonald reported, after a tour of the county which he had made with the assessment committee. Mr. MacDonald said tests made by the committee showed all municipalities fairly assessed, but Burlington was up in arms about an extra amount assessed to them this year. He fears that this will be taken to court.

No paving of the connecting link through town can be expected this year, said Mr. MacDonald, because of a \$30,000 cut in grant by the government. Council by motion, requested the county to make repairs on lower Main Street, and expressed disappointment that Georgetown was not getting more of the link paved.

Took no action on declaring July 6th a civic holiday, to replace July 1st, when it was learned that the three large industries had agreed to switch their holiday to that date. Council felt it was a matter for merchants to decide themselves, and that a holiday declaration would force banks and liquor stores to close two days.

Ordered a new electric clock for the council chamber.

## FARM NEWS

### BEEF DOLLAR NOW STRETCHING

The jokes one heard not so long ago on the alleged high price of beef stock are already passed. Recent calculations by the American Meat Institute point out that in relation to earnings of industrial workers, beef prices are now at the lowest point on record, for which reliable data are available.

With an hour's pay the average U.S. factory worker can now take home 2.2 lbs. of round steak compared to only 1.2 lbs. in 1929; or 2.8 lbs. of rib roast compared to 1.5 lbs. in 1929. Going back to 1914, an hour's wages would buy only one pound of steak or 1/4 little over one pound of prime rib roast.

## LIMEHOUSE

### West Indies Honeymoon for the Warren Wilkins

In Christ Church, Deer Park, Toronto on Friday at two thirty, Rev. Arthur Smith officiated at the marriage of Ann Elizabeth Walker and Warren Dyas Wilkins, of the globe-trotting Wilkins Brothers.

The bride is the daughter of Mr. and Mrs. C. H. Walker of Toronto and Limehouse, and the groom the son of Mr. and Mrs. S. R. Wilkins Toronto. He is a member of the Homer-Warren Company firm. This spring, with his brother Douglas, he presented a travelogue in the Legion Auditorium and they will return this fall with further movies of their jeep tour of the far east.

Canon P. J. Dykes assisted at the service. Mixed flowers in standards were used for the wedding setting and during the service, Mr. Lovick played "Praise My Soul," "Jerusalem," "Jesu Joy of Man's Desiring" and "The Lord's Prayer."

The bridal gown was of original white satin, embroidered around the neck with pearls and brilliants. The gown had a cathedral train and a full-length veil of limerick lace, a family heirloom. She carried a bouquet of stephanotis and fern.

Miss Walker had four attendants, Mrs. Peter Dickie as matron of honour, and Misses Shirley Ambridge, Ross Greelman and Nancy Ratcliffe. Their original ballerina length gowns were of white tulle with basque bodices and obi stole jackets. They wore feather caps and carried bouquets of mixed flowers.

Mr. Walker gave his daughter in marriage and the groom's brother, Douglas was groomsman. Ushers were Fraser Fell, Michael Grills, Dr. John Evans, John Leishman, Jeffrey Norman and Richard Sadleir.

Receiving at Toronto Golf Club, Long Branch, Mrs. Walker wore an original dress of hyacinth blue silk organza, large tricorin matching straw hat and a corsage of American Beauty roses. The groom's mother was in original dark blue chantilly lace over royal blue net and pink shantung, a hat of matching net and wore a corsage of mixed flowers.

Mr. and Mrs. Wilkins are honeymooning in the West Indies and will be living in Toronto. For travelling, the bride wore a white linen dress with matching short jacket, white straw hat, and accessories of navy blue and white, with a corsage of mixed flowers.

# Success car of the season!...

# FORD

Why take less than the best?

Right across the country the trend is to Ford! Ford's stepping ahead everywhere because Ford is ahead in all the things car-buyers want most . . . because Ford is worth more when you buy it . . . worth more when you sell it.

Ford's acclaimed from coast to coast for its great Strato-Star 110-Hp. V-8 engine, delivering the same kind of power that you find in the most expensive cars—smoothly, lively, dependable V-8 power.

Ford's applauded in every province for its wealth of fine-car features, including the choice of three ultra-modern transmissions—Fordomatic®, Overdrive® or Synchro-Silent shift. Ford's admired by everyone because it's such a beauty—inside and out—and because it offers such a satisfying choice of colours, trims and fabrics.

Yes, there are plenty of reasons why the steady, continuing trend to Ford has made it beyond any doubt the success car of the season. You'll discover all those reasons when you test-drive Ford.

POWERED with the finest... PRICED with the lowest!

100th ANNIVERSARY OF THE GREATEST NAME IN MOTORS
